The principle of economics governs life Saving resources is the norm in evolutionarily successful systems The problem is that after cutting so much it is preferred to believe than to verify because it is cheaper And believing is easy if you have lies at hand because the lie that is designed to be believed This is what this book is about lies Of the thousands of lies that build the vital frame of reference of the human being that serve him to try to spend a life without having to think reacting to stimuli according to his limbic system like any amphibian And of course of the smart ones who for thousands of years have used the same scams to cheat and live off the fools who consume their life their resources their work and sacrifice their children to make those who gave them rich and important a lie and they made it their own If you undress a rich man and a poor man you don t see the difference The difference is according to the side where the lie is After reading this book nothing will be the same      Five Years in Heaven John Schlimm,2016-05-03 What is heaven on earth The answer lies in this true story of one young man s journey to find hope and purpose with the help of an unlikely teacher a compassionate and wise old nun whom the world had long forgotten By the time Harvard educated John Schlimm turned 31 years old he had worked with some of the biggest superstars in Nashville and served under the most powerful people in the White House But something was missing His life had come to a standstill lost in a whirl of questions about belonging faith rejection and purpose He soon decides to return to his small town roots in search of a new beginning Returning home John meets 87 year old Sister Augustine the beguiling self taught artist in residence at the ceramic shop on the sprawling grounds of the local 150 year old convent John is instantly bowled over by Sister s quiet grace and vision Before long his weekly visits to Sister s shop become a master s class in the meaning of life love humility and second chances As she directed him on the road to self discovery and salvation John returned the favor by putting Sister Augustine on the front page of newspapers and showing his friend that her life still had one very important and unexpected final chapter yet to go In Five Years in Heaven John shares the wisdom humor grace and inspiration he experienced during his hundreds of visits with Sister Augustine Five Years in Heaven reminds us that we can find love and joy in the most unlikely of places and that the building blocks of peace and happiness are always within our reach
