The Remarkable Ordinary Frederick Buechner, 2017-10-03 Learn to see God's remarkable works in the everyday ordinary of your life Your remarkable life is happening right here right now You may not be able to see it your life may seem predictable and your work insignificant until you look at your life as Frederick Buechner does Named the father of today's spiritual memoir movement by Christianity Today Frederick Buechner reveals how to stop look and listen to your life He reflects on how both art and faith teach us how to pay attention to the remarkableness right in front of us to watch for the greatness in the ordinary and to use our imaginations to see the greatness in others and love them well Pay attention says Buechner Listen to the call of a bird or the rush of the wind to the people who flow in and out of your life The ordinary points you to the extraordinary God who created and loves all of creation including you Pay attention to these things as if your life depends upon it Because of course it does As you learn to pay attention to your life and what God is doing in it you will uncover the plot of your life's story and the sacred opportunity to connect with the Divine in each moment

Indigenous and Christian Perspectives in Dialogue Allen G. Jorgenson, 2020-12-30 In *Indigenous and Christian Perspectives in Dialogue* Allen G. Jorgenson asks what Christian theologians might learn from Indigenous spiritualities and worldviews Jorgenson argues that theology in North America has

been captive to colonial conceits and has lost sight of key resources in a post Christendom context The volume is especially concerned with the loss of a sense of place evident in theologies written without attention to context Using a comparative theology methodology wherein more than one faith tradition is engaged in dialogical exploration Jorgenson uses insights from Indigenous understandings of place to illumine forgotten or obstructed themes in Christianity In this constructive theological project kairotic places are named as those that are kenotic harmonic poetic and especially enlightening at the margins where we meet the religious other

A Table in the Wilderness Thom Rock, 2015-02-13 The joyful premise at the heart of this book is that there is a table lavishly spread for all who hunger for forgiveness the believer the doubter and the famished The book's journey begins and ends with this assertion not only is there a table of forgiveness set for us in the many wildernesses of life there is a seat waiting for each and every one of us at that table What matters is whether we take that seat and if so how we behave at the feast Rooted in the notion of journeying of setting out each day to discover some new vista along the many paths to the banquet hall of forgiveness A Table in the Wilderness draws upon the wisdom of multiple religious traditions as well as non religious sources in order to gain perspective on this long misunderstood subject Readers are just as likely to encounter Dr Seuss as they are to read the words of Sri Ramakrishna or Saint Augustine along the way Anyone who has ever been hurt or has hurt another will find this book a helpful guide

Stackhouse Jr.,2008-04-02 What should be the Christian s attitude toward society When so much of our contemporary culture is at odds with Christian beliefs and mores it may seem that serious Christians now have only two choices transform society completely according to Christian values or retreat into the cloister of sectarian fellowship In *Making the Best of It* John Stackhouse explores the history of the Christian encounter with society the biblical record and various theological models of cultural engagement to offer a more balanced and fruitful alternative to these extremes He argues that rather than trying to root up the weeds in the cultural field or trying to shun them Christians should practice persistence in gardening God s world and building toward the New Jerusalem Examining the lives and works of C S Lewis Reinhold Niebuhr and Dietrich Bonhoeffer for example and direction Stackhouse suggests that our mission is to make the most of life in the world in cooperation with God s own mission of redeeming the world he loves This model takes seriously the pattern of God s activity in the Bible and in subsequent history of working through earthly means through individuals communities and institutions that are deeply flawed but nonetheless capable of accomplishing God s purposes Christians must find a way to live in this world and at the same time do work that honors God and God s plan for us In an era of increasing religious and cultural tensions both internationally and domestically the model that Stackhouse develops discourages the all or nothing attitudes that afflict so much of contemporary Christianity Instead he offers a fresh and refreshingly nuanced take on the question of what it means to be a Christian in the world today
