Pesando, 2014-04 Due to the supposedly losing war that Christianity has fought against the decline of its values for the last one hundred years Christians seem to have entered a sort of siege mode they are afraid that acceptance of liberal ideas about women homosexuals and the transgender community are a part of the increasing moral decadence of our society As a result they have defensively shut their gates against such perceptions leaving many of us out in the cold Is this God's will No Why God Doesn't Hate You is the result of transgender Roman Catholic consecrated maiden Tia Michelle Pesando's extensive theological research and it brings to light several startling truths No longer should we feel the need to choose between science and faith or between religion and our own understanding of what is right and wrong The knowledge contained herein both reassures and provides an excellent defense for those minorities previously persecuted by Christians as Tia Michelle knows from her own experience coming out after thirty years in the guise of a man Recently she walked into a Roman Catholic church just before mass dressed as a woman wearing the veil of the consecrated maiden and approached the priest with the statement I have assembled a rock solid argument in favour of homosexuality The positive response she received alone shows that there is hope

Way to the New Jerusalem Arthur Jarrell Tankersley, 2021-10-29 David Brooks wrote in The Second Mountain A pilgrimage is a journey undertaken in response to a story My life story has been lived in response to God's story revealed in the Bible This book is about the highways I have traveled in obedience to the Voice of the Holy breaking into my successes and failures desires and doubts and leading me by the power of grace in ever merciful and transforming ways If you are drawn to my

story it is because the same Voice is calling you to share the adventure of a lifetime in following Jesus as he set his face to go up to Jerusalem Through my story may you hear Aslan s Christ s invitation Come further in Come further up This story travels by way of the highways to Zion Ps 84 5 7 Those highways become deeply paved in the hearts and minds of those who work for the healing of the world and who bring the blessings of the reign of God to barren dry and thirsty lands

is often judged by what works while persistent faithfulness takes a back seat If a ministry doesn't produce results it is dropped If people don't respond we move on This pursuit of greatness exerts a crushing pressure on the local church and creates a consuming anxiety in its leaders In their pursuit of this warped vision of greatness church leaders end up embracing a leadership narrative that runs counter to the sacrificial call of the gospel story When church leaders focus on faithfulness to God and the gospel however it's always a kingdom win regardless of the visible results of their ministry John the Baptist modeled this kind of leadership As John's disciples crossed the Jordan River to follow after Jesus John freely released them to a greater calling than following him Speaking of Jesus John said He must increase but I must decrease Joyfully satisfied to have been faithful to his calling John knew that the size and scope of his ministry would be determined by the will of the Father not his own will Following the example of John the Baptist and with a careful look at the teaching of Scripture Tim Suttle dares church leaders to risk failure by chasing the vision God has given them no matter how small it might seem instead of pursuing the broad path of pragmatism that leads to fame and numerical success

Made Known to Them Douglas M. Koskela, 2025-06-25 *Made Known to Them* is written for those beginning their journey in the study of Christian theology It offers an introduction to the nature and purpose of theology by means of an extended meditation on the Emmaus road story of Luke 24 In that story two disciples of Jesus meet a mysterious stranger along the road While readers are told that this stranger is the risen Jesus the disciples do not recognize him until he is made known to them in the breaking of the bread Along the way these disciples experience the company of Jesus in a way that increases both their joy and their knowledge Luke's telling of the story offers helpful signposts for anyone who desires to know and love God more deeply In each chapter of *Made Known to Them* Douglas M Koskela explores one of these signposts and reflects on what it means for how we go about the work of theology In that light all those who wish to get to the heart of this work even long time theologians are invited to take up these pages
