Sacred Keeper A Biography Of Patrick Kavanagh:

Sacred Keeper Peter Kavanagh, 1984 *Patrick Kavanagh, A Biography* Antoinette Quinn, 2003-09-25 Antoinette Quinn's acclaimed biography of Patrick Kavanagh, the most important Irish poet between the death of W B Yeats and the rise of Seamus Heaney, tells the triumphant story of his journey from homespun balladry through early journalism and poetry publications to his eventual coronation as one of the most influential figures in Irish poetry. Kavanagh (1904-1967) was born in County Monaghan, the son of a cobbler cum small farmer. He left school at thirteen to work the land but continued to educate himself, reading and writing poetry in his spare time. In 1929 he began contributing verses to the *Irish Statesman* and was soon publishing in Irish and English journals. His first collection, *Ploughman and Other Poems*, appeared in 1936 and was followed by an autobiography, *The Green Fool*, in 1938. In 1939 he moved to Dublin, where he spent the rest of his life as a freelance writer and as part of the social and literary scene, keeping company with a gifted generation of writers among them Flann O'Brien and Brendan Behan. He gained recognition as an important literary voice with his long poem *The Great Hunger* in 1942. Further collections and the novel *Tarry Flynn* appeared in the following decades to growing critical acclaim. Published to widespread praise, *Patrick Kavanagh: A Biography* traces Kavanagh's publishing history as well as revealing what he was writing in the long interval between his books. This engaging, well-researched account of his daily professional life as a writer, his revisions and redraftings, his negotiations with publishers and editors, dispels the view that he was an untutored, gormless genius visited by an occasional flash of inspiration. *Patrick Kavanagh: A Biography* is the definitive account of Patrick Kavanagh's life and work and should be the standard for years to come.

Schirmer looks at the work of nearly a hundred poets Considering the evolving political and social environments in which they lived and wrote Schirmer shows how Irish poetry and culture have come to be shaped by the struggle to define Irish identity Schirmer includes a large number of accomplished poets who have been unjustly neglected in standard accounts of Irish literature many of these writers are women whose work has been kept in the shadows cast by that of well known male poets He also emphasizes the importance of political poetry in a country that continues to be torn by sectarian violence With its rich selection of poetic voices *Out of What Began* reveals the political social and religious diversity of Irish culture

"The Given Note" Seán Crosson,2021-02-03 The oldest records indicate that the performance of poetry in Gaelic Ireland was normally accompanied by music providing a point of continuity with past tradition while bolstering a sense of community in the present Music would also offer particularly for poets writing in English from the eighteenth century onwards a perceived authenticity a connection with an older tradition perceived as being untarnished by linguistic and cultural division While providing an innovative analysis of theoretical work in music and literary studies this book examines how traditional Irish music including the related song tradition primarily in Irish has influenced and is apparent in the work of Irish poets While looking generally at where this influence is evident historically and in contemporary Irish poetry this work focuses primarily on the work of six poets three who write in English and three who write primarily in the Irish language Thomas Kinsella Seamus Heaney Ciaran Carson Gear id Mac Lochlainn Nuala N Dhomhnaill and Cathal Searcaigh Selected Poems Patrick Kavanagh,2018-08-09 Published in order of first publication as far as possible this selection ranges from initial offerings such as Tinker s Wife and Inniskeen Road July Evening to his tragic masterpiece The Great Hunger 1942 and his celebratory later verse To Hell with Common Sense and Come Dance with Kitty Stobling which show his increasing comic verve and detachment The first comprehensive selection of Kavanagh s poetry to be published this volume offers a timely reassessment of a poet unfairly neglected outside Ireland Modern Irish Writers Alexander G. Gonzalez,1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world s greatest authors The Revival saw a reestablishment of Ireland s literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of

enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Frigl Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O Casey J M Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author s career a discussion of major works and themes an overview of the author s critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume **The Strangers' House**

Alexander Poots,2023-03-14 A penetrating study and celebration of Northern Irish literature telling the region s story through the extraordinary novels and poetry produced by decades of conflict Northern Ireland is one hundred years old Northern Ireland does not exist Both of these statements are true It just depends who you ask How do you write about a place like this THE STRANGERS HOUSE asks this question of the region s greatest writers living and dead What have they made of Northern Ireland and what has Northern Ireland made of them Northern Ireland is roughly the same size as the State of Connecticut yet has produced an extraordinary number of celebrated poets and novelists Louis MacNeice too clever to be happy formed by his childhood on the shores of Belfast Lough son of a Protestant clergyman banned for ever from the candles of the Irish poor C S Lewis who discovered Narnia in the rolling drumlins and black rock of County Down Anna Burns chronicler of North Belfast and winner of the Booker Prize And Seamus Heaney the man of wry precision the poet with the gift of surprise As well as household names Poots also examines writers who may be less familiar to an American readership These include the dark and bawdy novels of Ian Cochrane a half blind writer obsessed with Columbo and Forrest Reid a man who saw Arcadia in the Irish countryside and who was perhaps the North s first queer author Reading the work of these writers together produces a testament to over one hundred years of literary endeavor and human struggle THE STRANGERS HOUSE is the story of how men and women have written about a home divided and used their work to move in the words of Seamus Heaney like a double agent among the big concepts
