Sacred Mysteries:

Sacred Mysteries Dennis Chester Smolarski,1995 Sacred Mysteries opens by reflecting on the continual process of reform in the church and on the foundational principles for all liturgical action It then moves to a discussion of each of the sacraments with particular reference to the way they are ritualized in the assembly A final chapter addresses practices that can cloud the experience of mystery during liturgical celebrations and thus inhibit rather than enhance the power of the rite

Beholding the Sacred Mysteries Sharon E. J. Gerstel,1999 Sharon Gerstel evokes a wide range of written and painted sources in order to analyze the decoration of the Byzantine sanctuary from the perspective of its contemporary viewer from monk to liturgical celebrant from bishop to lay worshipper In a new presentation of the sanctuary program the author reveals to the modern reader what was and even today is manifest only to the clergy In medieval Byzantium an artistic program developed behind the sanctuary screen for priests whose actions and words were reflected in the painted decorations Lay people were permitted to view certain parts of the painted program and the eucharistic celebration but the sanctuary was increasingly obscured from them by curtains and icons This book explores monuments from a single region Macedonia that range over a span of three hundred years 1028 1328 This period encompasses the beginnings of the new program its establishment and its expansion and in the absence of surviving monuments from the Byzantine capital Macedonia now

divided among Greece Bulgaria and the former Yugoslavian Republic that bears its name contains an unbroken sequence of decorated churches This detailed examination of a related group of monuments demonstrates the varying popularity of certain subjects and details of decoration and how innovative approaches to Christian iconography were passed between painters and churches

Quid est sacramentum Visual Representation of Sacred Mysteries in Early Modern Europe 1400 1700 investigates how sacred mysteries in Latin sacramenta or mysteria were visualized in a wide range of media including illustrated religious literature such as catechisms prayerbooks meditative treatises and emblem books produced in Italy France and the Low Countries between ca 1500 and 1700 The contributors ask why the mysteries of faith and in particular sacramental mysteries were construed as amenable to processes of representation and figuration and why the resultant images were thought capable of engaging mortal eyes minds and hearts Mysteries by their very nature appeal to the spirit rather than to sense or reason since they operate beyond the limitations of the human faculties and yet the visual and literary arts served as vehicles for the dissemination of these mysteries and for prompting reflection upon them Contributors David Areford AnnMarie Micikas Bridges Mette Birkedal Bruun James Clifton Anna Dlabaková Wim François Robert Kendrick Aiden Kumler Noria Litaker Walter S Melion Lars Cyril Nørgaard Elizabeth Pastan Donna Sadler Alexa Sand Tanya Tiffany Lee Palmer Wandel Geert Warner Bronwen Wilson and Elliott Wise

The Ancient Mysteries Marvin W. Meyer, 1999-05-07 Zeus and the other gods of shining Olympus were in reality divine only by popular consent Over the course of time Olympian luster diminished in favor of religious experiences more immediate to the concerns of people living in an increasingly cosmopolitan ancient world These experiences were provided by the mysteries religions that flourished particularly during the Hellenistic period and were secretly practiced by groups of adherents who decided through personal choice to be initiated into the profound realities of one deity or another Unlike the official state religions in which people were expected to make an outward show of allegiance to the local gods the mysteries emphasized an inwardness and privacy of worship within a closed band of initiates In this book Marvin W Meyer explores the sacrifices and prayers the public celebrations and secret ceremonies the theatrical performances and literary works the gods and goddesses that were a part of the mystery religions of Greece in the seventh century B C to the Judaism and Christianity of the Roman world of the seventh century A D
