Sacred River Approach To James Joyce:

The Sacred River L.A.G. Strong, 2023-05-31 First Published in 1949 The Sacred River attempts to present a survey of James Joyce's work In 1932 Mr Strong published an essay in the course of which he suggested that Work in Progress was the first full scale application to the novel of twentieth century ideas on space and time demanding from the reader a radical change in practice The essay was read by Joyce and the theory subsequently confirmed From that point Mr Strong has continued his study of Joyce This work is limited to four main lines of approach interest in singing and singers a passion with Joyce literature in particular Shakespeare Swift Blake and the Romantic Movement of which the author believes Finnegans Wake to be the logical fulfilment contemporary theories of psychology and Christian metaphysics Mr Strong's first hand acquaintance with Dublin in the early nineteen hundreds has been a further help as was his friendship with Yeats A E and other Irish writers who knew Joyce personally The result is a stimulating and provocative piece of criticism of which we may safely say that it outruns its modest programme This book is a must read for scholars and researchers of English literature
