Rose,2014-03-04 The text of this Large Print edition is unabridged Title page verso **Richard Kearney's Anatheistic Wager** Pierre Drouot,2018-04-23 Philosopher Blaise Pascal famously insisted that it was better to wager belief in God than to risk eternal damnation More recently Richard Kearney has offered a wager of his own the anatheistic wager or return to God after the death of God In this volume an international group of contributors consider what Kearney s spiritual wager means They question what is at stake with such a wager and what anatheism demands of the self and of others The essays explore the dynamics of religious anatheistic performativity its demarcations and limits and its motives A recent interview with Kearney focuses on crucial questions about philosophy theology and religious commitment

As a whole this volume interprets and challenges Kearney's philosophy of religion and its radical impact on contemporary views of God **Eros Crucified** Matthew Clemente, 2019-11-08 Bringing contemporary philosophers theologians and psychoanalysts into dialogue with works of art and literature this work provides a fresh perspective on how humans can make sense of suffering and finitude and how our existence as sexual beings shapes our relations to one another and the divine It attempts to establish a connection between carnal bodily love and humanity's relation to the divine Relying on the works of philosophers such as Manoussakis Kearney and Marion and psychoanalysts such as Freud and Lacan this book provides a possible answer to these fundamental questions and fosters further dialogue between thinkers and scholars of these different fields The author analyzes why human sexuality implies both perversion and perfection and why it brings together humanity's baseness and beatitude Through it the author taps once more into the dark mystery of Eros and Thanatos who to paraphrase Dostoevsky forever struggle with God on the battlefield of the human heart This book is written primarily for scholars interested in the fields of philosophical psychology existential philosophy and philosophy of religion
