Blackmon,2017-12-26 One Foot on the Shore A Spiritual Journey to the Promised Land is the real life journey of a wife and mother from North Carolina to the Promised Land of the Lord It certainly was not an easy journey Laugh and cry with her as she stumbled through the Red Sea ruts and then conquered the giants in the land Her story starts simplistically with a call on her life that took years for her to recognize but once the Lord s salvation became real to her she was overwhelmed by His supernatural grace Obedience became the hallmark of her existence Spending hours in prayer and study of God s word produced many rewards seen and unseen at the time Obedience is better than sacrifice is a reoccurring theme throughout her life as she follows Him and His guidance Through her obedience to the Lord she has reached multitudes with the Gospel of Jesus Christ with her anointed jewelry designs like her signature piece the Gospel Pin™ This piece and many of her other Christian jewelry designs were on the QVC Shopping Network for many years As she shared her heart with her southern drawl on QVC many millions were blessed to hear the gospel shared in such a unique way on a secular TV outlet **The Journal of Commonwealth Literature** ,1979 **Águila** María Cristina Moroles,Lauri Umansky,2024-01-03 In guila The Vision Life Death and Rebirth of a Two Spirit Shaman in the Ozark Mountains Mar a Cristina Moroles traces the path of her extraordinary life from the streets of Dallas to the wilderness of the Arkansas Ozarks where she has resided for fifty years Hailing from a large Indigenous and Mexican American family in Texas Moroles apprentices herself to healers and shamans across the Americas as she follows the spiritual vision that leads her to establish a mountaintop sanctuary for women and children of color in a notoriously insular location in the Ozark Mountains This is a survivor s tale and a back to the lander s tale unlike any other From early traumas to countercultural rebellion and profound spiritual awakening Moroles recounts milestones that earn her the ceremonial names SunHawk and guila as she builds a sustainable community off the grid atop a mountain otherwise uninhabited by human life guila tells the truth of one woman s search for freedom and all women s quest for dignity as it celebrates the healing powers of nature

Canadiana ,1978 *The Spiritual Journey of St Patrick* Aidan Larkin,2023-02-27 Every year millions of people celebrate St Patrick He is Ireland s most famous ambassador Yet what do we really know about him about his spirituality his mission his vocation Can we really only say that he was no friend to snakes Few people know that Patrick s own writings have survived to the present day Fewer still understand the connection between Patrick and the Church Fathers Ironically it is

perhaps his universal popularity and connection to generations of Irish immigrants that has set him apart from his peers and obscured his very real contribution to the Church To the broader world he is more famous than Augustine and more recognisable than Paul but unlike them his writings and spirituality have been neglected In *The Spiritual Journey of St Patrick* Aidan Larkin SCC brings the academic rediscovery of Patrick to a lay audience passionately arguing the case for recognising and engaging with Patrick's spiritual legacy to the Church Uncovering the wealth of references to the Fathers of the Church in Patrick's own writings Larkin encourages us to reframe Patrick as a religious thinker in dialogue with the Church's past and future Patrick's vocation him brought him to the Irish and the Irish brought him to the world Now *The Spiritual Journey of St Patrick* retells that great story in the history of Christianity in a way that restores Patrick's own voice so that he can speak to us and guide us in this synodal moment in the life of the Church

the current Middle East tragedy this is it Yossi Klein Halevi senior fellow Shalom Hartman Institute and author of the New York Times bestseller *Letters to My Palestinian Neighbor* In 1929 in the sacred city of Hebron then governed by the British Mandate of Palestine there was no occupation state of Israel or settlers Jews and Muslims lived peacefully near the burial place of Abraham patriarch of the Jewish and Arab nations until one Saturday morning when nearly 70 Jewish men women and children were slaughtered by their Arab neighbors The Hebron massacre was a seminal event in the Arab Israeli conflict key to understanding its complexities The echoes of 1929 in Hamas s massacre of October 7 2023 illustrate how little has changed and how much of our perspective must change if peace is ever to come to this tortured land and its people who are destined to share it Noted journalist Yardena Schwartz draws on her extensive research and wide ranging interviews with both sides to tell a timely eye opening story She expertly weaves the war between Israel and Hamas into a historical framework demonstrating how the conflict today cannot be understood without the context of ground zero of this century old war which began long before the occupation the settlements or the state of Israel ever existed This meticulously researched and balanced examination of the Arab Israeli conflict s origins interweaves historical analysis with contemporary insights providing crucial context for understanding today s Middle East tensions Perfect for anyone who has read Yossi Klein Halevi Matti Friedman or Nathan Thrall Schwartz s work is a riveting exploration of the complex background of the Israel Palestine conflict and the ongoing struggle for peace in the region
