SACRED TRUST Meg O'Brien, 2014-10-15 Abby Northrope has everything a woman could want A wonderful home in Carmel by the Sea a wealthy lawyer husband a wide circle of friends and a secure place in the community She has everything until Marti Bright Abby s best friend from school days is brutally murdered crucified on a hill overlooking Carmel But Abby lives with a secret of her own her ailing marriage so fairy tale like to outsiders is crumbling As Abby turns all her energies into a quest to avenge Marti s death she is led down a labyrinth of lies half truths jealousies and revenge Terrible secrets

come to light about herself her husband and Marti But how are the three tied together With a killer still on the loose time is running out **The Heart of Power, With a New Preface** David Blumenthal,James Morone,2010-09-21 Even the most powerful men in the world are human they get sick take dubious drugs drink too much contemplate suicide fret about ailing parents and bury people they love Young Richard Nixon watched two brothers die of tuberculosis even while doctors monitored a suspicious shadow on his own lungs John Kennedy received last rites four times as an adult and Lyndon Johnson suffered a belly buster of a heart attack David Blumenthal and James A Morone explore how modern presidents have wrestled with their own mortality and how they have taken this most human experience to heart as they faced the difficult politics of health care Drawing on a trove of newly released White House tapes on extensive interviews with White House staff and on dramatic archival material that has only recently come to light The Heart of Power explores the hidden ways in which presidents shape our destinies through their own experiences Taking a close look at Franklin D Roosevelt Harry S Truman Dwight Eisenhower John Kennedy Lyndon B Johnson Richard Nixon Jimmy Carter Ronald Reagan George Herbert Walker Bush Bill Clinton and George W Bush the book shows what history can teach us as we confront the health care challenges of the twenty first century **The Sacred Trust** Thomas D. Plantz MHA,2016-12-06 Its been hundreds of years since United States war veterans entered a covenant with their government one that promised they would be cared for physically and mentally But the scandal that broke out at the Carl T Hayden Veterans Medical Center in Phoenix in May 2014 showed that one side is not holding up its end of the bargain That scandal rolled across the nation to other Veterans Affairs facilities and the crisis is far from over Thomas D Plantz a retired health care executive and Vietnam combat veteran highlights through his dedicated analysis how the VA and all levels of government have failed to ensure that veterans in a timely manner can access health care services While the VA provides many excellent specialty services at its 150 acute care hospitals and 820 outpatient clinics Plantz argues that its warts and blemishes distract from the good work provided by its physicians nurses and support personnel The VAs problems must be tackled and a newly elected president working in concert with a committed Congress new VA executive leaders and a public dedicated to providing treatment to our nations veterans would restore The Sacred Trust **The Heart of Power** David Blumenthal,James Morone,2010-09-21 Explores how modern presidents have wrestled with their own mortality and how they have taken this most human experience to heart as they faced the difficult politics of health care **Long Poems** Edward Loomis,2000-10-13 The book makes use of the developed possibilities of modern American writing enriched by centuries of European example and newly opened out to include free verse and the prose poem as well as accentual syllabic verse The author takes the position that all three forms are viable as practised by the great experimenters of this century The book celebrates the fact that American poetry includes E A Robinson as well as William Carlos Williams neither invalidates the other they add up one can have free verse as well as accentual syllabic verse and there is a place for the prose poem The idea is that American poetry offers a democratic

welcome to a large variety of possibilities following the example given by the national life which has thrived on a principle of inclusion

A Sacred Trust Eugene Labovitz, Annette Labovitz, 1994

Selected Poems of Edward Loomis Edward Loomis, 2000-10-20 Some of the free verse offered here was first published in *Poems of a Cockroach* 1970 this was a self published pamphlet illustrated with drawings by Gerry Haggerty EVERYMAN was made into a film with a rather dubious sound track bringing the thing down This book is a gathering of work of the last thirty years and it is a selection exactly That might be its strong point These poems are what I think of as my best stuff and are offered as that

The Shape of Sola Scriptura Keith A. Mathison, 2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I've seen I highly recommend it to all who embrace the authority of sacred Scripture
