Matthew Levering

Sacrifice And Community Jewish Offering And Christian Eucharist:

Sacrifice and Community Matthew Levering, 2006-01-10 This book explores the character of the Eucharist as communion in and through sacrifice It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology its reclamation of St Thomas Aquinas s theology of the Eucharist and its response to Pope John Paul II s *Ecclesia de Eucharistia* Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice and communion Timed to coincide with the Year of the Eucharist proclaimed by Pope John Paul II Reclaims the riches of St Thomas Aquinas s theology of the Eucharist which had recently been reduced to a metaphysical defence of transubstantiation **The Eucharist: Mystery of Presence, Sacrifice, and Communion**

Lawrence Feingold, 2018-04-01 The Eucharist Mystery of Presence Sacrifice and Communion explores the three ends of the Sacrament of Sacraments God s true presence His redemptive sacrifice and spiritual nourishment through communion with Him In this follow up to his groundbreaking work *Faith Comes From What Is Heard* Lawrence Feingold constructs a biblical vision of the Eucharist from its prefigurement in the Old Testament to its fulfillment in the New and presents the Eucharistic theology of the Church Fathers St Thomas Aquinas and magisterial teaching from centuries past through today The Eucharist is a masterful text both challenging and spiritually rich that comprehensively examines the unspeakable mystery that is the Eucharist *Sacrifice and Community* Matthew Levering, 2008-04-15 This book explores the character of the Eucharist as communion in and through sacrifice It will stimulate discussion because of its controversial critique of the dominant paradigm for Eucharistic theology its reclamation of St Thomas Aquinas s theology of the Eucharist and its response to Pope John Paul II s *Ecclesia de Eucharistia* Argues that the Eucharist cannot be separated from sacrifice and rediscovers the biblical connections between sacrifice and communion Timed to coincide with the Year of the Eucharist proclaimed by Pope John Paul II Reclaims the riches of St Thomas Aquinas s theology of the Eucharist which had recently been reduced to a metaphysical defence of transubstantiation **Christ and the Catholic Priesthood** Matthew Levering, 2010 *First Things*, 2007 **Searching Her Own Mystery** Mark S. Kinzer, 2015-03-30 Vatican II s Declaration on the Relation of the Church to Non Christian Religions *Nostra Aetate* transformed the Catholic view of the Jewish people and the Jewish religious tradition Asserting that the Church discovers her link to the stock of Abraham when searching her own mystery *Nostra Aetate* intimated that the mystery of Israel is inseparable from the mystery of the Church As interlocking mysteries each community requires the other in order to understand itself In *Searching Her Own Mystery* noted Messianic Jewish theologian Mark S Kinzer argues that the Church has yet to explore adequately the implications of *Nostra Aetate* for Christian self understanding The new Catholic teaching concerning Israel should produce fresh perspectives on the entire range of Christian theology including Christology ecclesiology and the theology of the sacraments To this end Kinzer proposes an Israel ecclesiology rooted in Israel Christology in which a restored *ecclesia ex circumcissione* the church from the

circumcision assumes a crucial role as a sacramental sign of the Church's bond with the Jewish people and genealogical Israel's irrevocable election *The Oxford Handbook of Sacramental Theology* Hans Boersma, Matthew Levering, 2015-08-06

As a multi-faceted introduction to sacramental theology the purposes of this Handbook are threefold: historical, ecumenical, and missional. The forty-four chapters are organized into the following parts: five parts: Sacramental Roots in Scripture, Patristic Sacramental Theology, Medieval Sacramental Theology, From the Reformation through Today, and Philosophical and Theological Issues in Sacramental Doctrine. Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church's practice. In Scripture and the early Church, Orthodox, Protestants, and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox, Protestants, and Catholics today affirm as the foundation of their own faith and practice. Thus, for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions, this Handbook provides an introduction. As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook, it is not thereby without ecumenical and missional value. This book evidences that the story of the Christian sacraments is, despite divisions in interpretation and practice, one of tremendous hope.

Catholic Doctrines on the Jewish People after Vatican II Gavin D'Costa, 2019-10-10

In this timely study, Gavin D'Costa explores Roman Catholic doctrines after the Second Vatican Council regarding the Jewish people, 1965-2015. It establishes the emergence of the teaching that God's covenant with the Jewish people is irrevocable. What does this mean for Catholics regarding Jewish religious rituals, the land, and mission? Catholic Doctrines on the Jewish People after Vatican II establishes that the Catholic Church has a new teaching about the Jewish people: the covenant made with God is irrevocable. D'Costa faces head-on three important issues arising from the new teaching. First, previous Catholic teachings seem to claim Jewish rituals are invalid. He argues this is not the case. Earlier teachings allow us positive insights into the modern question. Second, a nuanced case for Catholic minimalist Zionism is advanced without detriment to the Palestinian cause. This is in keeping with Catholic readings of Scripture and the development of the Holy See's attitude to the State of Israel. Third, the painful question of mission is explored. D'Costa shows the new approach safeguards Jewish identity and allows for the possibility of successful witness by Hebrew Catholics who retain their Jewish identity and religious life.

The New Isaac Leroy Andrew Huizenga, 2009

Gospel scholarship has long recognized that Matthean Christology is a rich, multifaceted tapestry weaving multifold Old Testament figures together in the person of Jesus. It is somewhat strange, therefore, that scholarship has found little role for the figure of Isaac in the Gospel of Matthew. Employing Umberto Eco's theory of the Model Reader as a theoretical basis to ground the phenomenon of Matthean intertextuality, this work contends that when read rightly as a coherent narrative in its first-century setting with proper attention to both biblical texts and extrabiblical traditions about Isaac, the Gospel of Matthew evinces a significant Isaac.

typology in service of presenting Jesus as new temple and decisive sacrifice **Preventive Diplomacy, Peacebuilding And Security In The Asia-Pacific: Evolving Norms, Agenda And Practices** Yanjun Guo, Ji Miao, 2022-01-18 Preventive diplomacy constitutes an important part of international conflict resolution mechanisms This book presents the latest research trends in ideations institutions and practices in preventive diplomacy and other peacebuilding measures of Asia Pacific countries to ensure traditional and non traditional security within and beyond the region It studies peacebuilding issues range from North Korea nuclear issue in Northeast Asia disputes in the South China Sea Afghanistan peace process and China India Pakistan interaction in South Asia UN peacebuilding in Central Asia etc It explores general security issues at the state international regional and global levels by experts from the Asia Pacific This book is a useful guide for those interested to know the security and preventive diplomacy status in the region s distinctive context
