Cattle Camp Herb Wharton, 2011-04. A collection of stories told to the author by Aboriginal stockmen and women. Captures the life of the droving days when these people traveled huge distances on drives from North Queensland to Victoria and South Australia. Has a foreword by the author, maps, and several photographs. Author's novel *Unbranded* was highly commended in the David Unaipon Award for Aboriginal and Torres Strait Islanders.

Through Palestine with the Twentieth Machine Gun Squadron Anonymous, 2019-12-02. *Through Palestine with the Twentieth Machine Gun Squadron* is a compelling firsthand account of the British military's experiences in the tumultuous region of Palestine during the 1940s. The book intricately weaves vivid descriptions of the landscapes and the socio-political atmosphere with the day-to-day operations of the Twentieth Machine Gun Squadron. Written in a straightforward yet evocative prose style, the narrative mirrors the immediacy and chaos of war, transporting readers into the heart of the action while reflecting the broader historical context of British imperialism and the Israeli-Palestinian conflict that has shaped the region's tumultuous history. The author's anonymity speaks to the common soldier's voice, offering a unique perspective that may stem from a desire to highlight the often-overlooked experiences of individual soldiers as opposed to glorified military narratives. This work arises from personal experiences and observations during a pivotal moment in history, revealing the complexities of warfare and the moral ambiguities faced by those in the line of duty. Such a focus on the human element makes this narrative not only a military documentation but also a poignant exploration of identity, loyalty, and the shadows of imperialism. I highly recommend *Through Palestine with the Twentieth Machine Gun Squadron* to readers interested in military history, regional studies, or the

psychological intricacies of war This work offers a rare glimpse into the life of soldiers during a pivotal time while fostering a deeper understanding of the enduring issues in Palestine making it a significant contribution to both literature and historical discourse **A Sydney Sovereign and Other Tales** Tasma,1890 **In Bad Company, and other stories** Rolf
