The Colonial Elite of Early Caracas Robert J. Ferry, 2024-07-26 Combining traditional documentary research with new analytical strategies Robert J Ferry creates a rich three dimensional picture of early Caracas His reconstitution and interpretation of important genealogical histories provide a model for historical studies of Latin American and other societies Ferry s work partially eclipses previously accepted ideas about colonial Caracas He shows how the society was dominated by a commercial agricultural elite and demonstrates that women were responsible for arranging marriages and maintaining family lineages that marriages among first cousins were very common and that elite residence was matrifocal *The Colonial Elite of Early Caracas* focuses on the salient features of the society and economy agriculture commerce and labor The first section treats the seventeenth century transition from Indian encomienda labor to African slave labor The society created by slavery and the cacao trade in the eighteenth century is the main subject of the second section of the book Throughout Ferry leads the reader to a deeper understanding of the elite planters of Caracas who were wheat farmers in the seventeenth century and cacao hacienda owners in the eighteenth Ferry also explores how some families succeeded in retaining wealth and local authority from one generation to the next That success is momentarily halted in the 1730s and 1740s and the revolt of Juan Francisco de Le n in 1749 is viewed as a crisis of both the colony s elite and the smallholder immigrant class to which Le n himself belonged The response to Le n s rebellion represents a major effort on the part of the Spanish crown to restructure royal authority in the colony arguably the first of the Bourbon reforms in the American colonies This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 *From Syria to Seminole* Ed Aryain, 2006 Sixty years after his arrival in America in 1913 at age fifteen Syrian American Mohammed Ed Aryain recounts his life as first a dry goods peddler and then a merchant and family man on the Great Plains eventually owning a store in Seminole Texas Introduction and notes provide historical context Provided by publisher *Forthcoming Books* Rose Army, 1996-06 [Saddlebag Salesmen](#) Elizabeth Van Steenwyk, 1995 Recounts the origins of peddlers in the American colonies and on the frontier describes the travelling conditions they endured and the goods and services they provided and profiles noteworthy Americans who started out as peddlers *A Knight of the Saddlebags* John Lemacks Stokes, 1908 **Something about the Author** Kevin Hile, 1997 Contains biographical information and critical essays concerning the works of over 100 authors and illustrators of children s works [Get Your Bible out of the Saddle Bag!](#) Charles Higgs, Greg Long, 2011-11-21 In the past decade Texas Baptists have been involved in the development of cowboy churches Each Sunday in Texas thirty five to forty thousand people attend a Texas Baptist AFCC cowboy church One of the great needs is to have Bible study materials that are culturally relevant for the Western Heritage
