Saddled Cow East Germanys Life And Legacy:

The Saddled Cow Anne McElvoy, 1993 As The Times correspondent in East Berlin the author of this book witnessed the collapse of the communist state and the unification of Germany In this book she explores the country s history drawing on exclusive interviews with spies politicians and dissidents speaking openly for the first time to plan the new state and she analyzes the role of the omnipotent Stasi Secret Police and the Berlin Wall She relates the stories of the country s legendary spy chief Markus Wolf and its master propagandist Karl Eduard von Schnitzler Finally she follows East Germany s dramatic absorption into the West and the fate of its people after unification

The New Germany in the East Christopher Flockton, Eva Kolinsky, Rosalind M. O. Pritchard, 2000 Produced with the International Peace Academy in New York this volume focuses largely on the conflicts of the 1990s and future projects examining multifacteted issues involved in conflict management suggesting new approaches and tools for future conflict management

Recasting East Germany Chris Flockton, Eva Kolinsky, 2012-11-12 The transformation of east Germany since unification has wrought vast changes in the economy and in society and left deep scars as the types of social protection offered by the centralised socialism of the previous regime gave way to uncertainties and individualised life chances Social Transformation in Eastern Germany investigates the deep economic and social processes which east Germany has undergone highlighting the restructuring the social impacts and the stresses of adjustment experienced by key social groups whose workplace and social context has been recast almost out of recognition since 1990

The East German Leadership, 1946-73 Peter Grieder, 1999 Since the publication of *The Woman Warrior* in 1976 Maxine Hong Kingston has gained a reputation as one of the most popular and controversial writers in the Asian American literary tradition In this volume Grice traces Kingston s development as a writer and cultural activist through both ethnic and feminist discourses investigating her novels occasional writings and her two book life writing project The publication of *The Woman Warrior* not only propelled Kingston into the mainstream literary limelight but also precipitated a vicious and ongoing controversy in Asian American letters over the authenticity or fakery of her cultural references Grice traces the debates through the appearance of *China Men* 1981 as well as the novels *Tripmaster Monkey* 1989 and her most recent work *The Fifth Book of Peace* Maxine Hong Kingston will be of value to students and academics researching in the areas of diaspora writing contemporary American and Asian Amercianfiction as well as feminist and postcolonial literature

Born in the GDR Hester Vaizey, 2016 The real life stories of eight East Germans caught up in the dramatic transition from Communism to Capitalism by the fall of the Berlin Wall and what they feel about life after the Wall

Central Europe Since 1945 Paul G. Lewis, 2014-01-14 Central Europe here Poland the German Democratic Republic Czechoslovakia and Hungary is at the centre of international attention since the Soviet collapse An understanding of its postwar history is critical to an appreciation of the challenges facing its present rulers This is an engrossing account of the installation development operation and eventual downfall of its very different communist regimes and the transition to the

freedoms and uncertainties of the post Soviet world The book covers political economic social and cultural change emphasising the crucial relationships with the USSR throughout *Going Over* Beth Kephart,2014-04-01 It is February 1983 and Berlin is a divided city with a miles long barricade separating east from west But the city isn't the only thing that is divided Ada lives among the rebels punkers and immigrants of Kreuzberg in West Berlin Stefan lives in East Berlin in a faceless apartment bunker of Friedrichshain Bound by love and separated by circumstance their only chance for a life together lies in a high risk escape But will Stefan find the courage to leap Or will forces beyond his control stand in his way National Book Award finalist Beth Kephart presents a story of daring and sacrifice and love that will not wait *Repainting the Little Red Schoolhouse* John Rodden,2002-01-03 This is the first ever English language study of GDR education and the first book in any language to trace the complete history of Eastern German education from 1945 through the 1990s It relates in full the GDR's attempt to create a new Marxist nation by means of educational reform The book goes beyond previous investigations of the subject to include topics outside the scope of education per se Rodden looks not only at the changing institution of education but also at what the Germans call Bildung the formation of character and the cultivation of body and spirit The book's sociological reach likewise extends to questions of nation building as Rodden carries his historical narrative up to the present environment of post unification Germany *The Conditions, Means and Methods of the MfS in the GDR* Nessim Ghouas,2004 *The Last Revolutionaries* Catherine Epstein,2009-06-30 *The Last Revolutionaries* tells a story of unwavering political devotion it follows the lives of German communists across the tumultuous twentieth century Before 1945 German communists were political outcasts in the Weimar Republic and courageous resisters in Nazi Germany they also suffered Stalin's Great Purges and struggled through emigration in countries hostile to communism After World War II they became leaders of East Germany where they ran a dictatorial regime until they were swept out of power by the people's revolution of 1989 In a compelling collective biography Catherine Epstein conveys the hopes fears dreams and disappointments of a generation that lived their political commitment Focusing on eight individuals *The Last Revolutionaries* shows how political ideology drove people's lives Some of these communists including the East German leaders Walter Ulbricht and Erich Honecker enjoyed great personal success But others including the purge victims Franz Dahlem and Karl Schirdewan experienced devastating losses And as the book demonstrates female and Jewish communists faced their own sets of difficulties in the movement to which they had given their all Drawing on previously inaccessible sources as well as extensive personal interviews Epstein offers an unparalleled portrait of the most enduring and influential generation of Central European communists In the service of their party these communists experienced solidarity and betrayal power and persecution sacrifice and reward triumph and defeat At once sordid and poignant theirs is the story of European communism from the heroic excitement of its youth to the bureaucratic authoritarianism of its middle age to the sorry debacle of its death
