Good Nights Out Aleks Sierz,2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's Worm's Eye View and Hugh Hastings's Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre **The Silent Film Star Murders** Melodie Campbell,2025-03-22 Embarking on another transatlantic crossing in 1928 merry widow Lady Lucy Revelstoke welcomes new guests aboard the Victoriana including Renata Harwood star of the silver screen and Stella Burke her bitter protégée turned rival Everyone expects these leading ladies to serve up delicious drama over dinner but true tragedy strikes when a young woman goes missing Has she been seduced by a cad Are they hiding in second class or has the poor girl thrown herself overboard Then a crew member is brutally murdered and questions arise about just who the intended victim may have been Lucy and her pickpocket turned maid Elf set out to investigate intricate relationships and

scandalous shared histories determined to uncover if and how a theatrical rivalry can explode into sensational murder

Little Book of Clichés Alison Westwood,2013 Many of the phrases we use everyday are so woven into our vocabulary that we never think to question their origin or meaning How often we comfort the broken hearted with the reassurance that there are plenty more fish in the sea or ruin a surprise by letting the cat out of the bag We don t really mean our friend should consider dating a fish nor do we keep cats in bags but we use these phrases regardless Did you know that telling someone to get off their high horse comes from the 13th century Or that hair of the dog wasn t originally a hangover cure but a belief that applying a dog hair to a dog bite would cure the wound In the times of Roman Baths getting the wrong end of the stick didn t translate as a simple misunderstanding it actually referred to a communal toilet where a stick was used to pass a cloth from person to person unfortunately some would often receive the wrong end **Slang and Its Analogues Past and**
