Bobby Bowden Ray G. Schneider,Paul M. Pederson,2003-09-24 Bobby Bowden is a coaching treasure and legend Across six decades at Howard College West Virginia University and Florida State University Coach Bowden has won a total of 332 games and touched the lives of all those around him With style and grace he has accumulated his victories which during one stretch resulted in the unfathomable accomplishment of at least 10 wins a season for 15 consecutive years Inside the pages of this book readers will discover how Bowden won and what players he used to secure each of his coaching victories From his first unnoticed conquest in 1959 through the last triumph attended by tens of thousands and covered by a media throng this is the account of how he did it win by win The Enduring Seminoles Patsy West,2024-03-19 This engaging short work of anthropology and Florida Indian history deserves a wide audience It is sophisticated enough for a university seminar but filled with appeal for anyone interested in Native Americans Florida history or the interaction of tourists and native peoples Tampa Tribune Times Engrossing West has shown us just how vital tourism has been to the Seminoles and the Miccosukees Ft Lauderdale Sun Sentinel Packed full of stories and details about Florida tribes and tourism Orlando Sentinel A unique social and economic history of the Seminoles and an insightful view of their cultural adaptation and cultural continuity that previously has not been appreciated or understood Florida Heritage Everyone interested in Florida s Indian population will certainly want this book for their personal collection Polk County News Chief Provides significant contextual information from a Native perspective that undermines facile assumptions about Indians as passive victims of an exploitative tourism industry contributing to ongoing postcolonial debates about similar phenomena worldwide Journal of American History What West makes most clear is that the Natives quickly perceived the degree to which the tourists valued dramatic displays and they adapted the process over the years to serve their own economic ends Florida Historical Quarterly Should make some
