Giblett, 2008-10-14 This book explores the relationship of human bodies with natural and cultural environments arguing that these categories are linked and intertwined It argues for an environmentally sustainable and healthy relationship between the body and the earth *American Paraliterature and Other Theories to Hijack Communication* Blake Stricklin, 2021-03-30 A critical account of the 1975 Schizo Culture conference which Michel Foucault called the last countercultural event of the 1960s and its direct and indirect connection to American experimental literature *Symbolic Exchange and Death* Jean Baudrillard, 1993-12-07 This is easily Baudrillard's most important work It is a key intervention in the debates on modernity and postmodernity and the site of his postmodern turn Anyone who wants to understand the complexity and provocativeness of Baudrillard's richest period must read this text Douglas Kellner **Normal Sex** Samuel Ace, 1994 Forceful fluid prose poems as the author writes the recreated life of her boyish youth *Mistress Spirit* Clayton Eshleman, 1989 Contemporary Perspectives on Rhetoric Sonja K. Foss, Karen A. Foss, Robert Trapp, 2014-04-04 The anniversary edition marks thirty years of offering an indispensable review and analysis of thinkers who have exerted a profound influence on contemporary rhetorical theory I A Richards Ernesto Grassi Cha m Perelman and Lucie Olbrechts Tyteca Stephen Toulmin

Richard Weaver Kenneth Burke Jürgen Habermas bell hooks Jean Baudrillard and Michel Foucault The brief biographical sketches locate the theorists in time and place showing how life experiences influenced perspectives on rhetorical thought The concise explanations of complex concepts are clear engaging insightful and highly accessible serving as an excellent primer for reading the major works of these scholars The critical commentary is carefully chosen to highlight implications and to place the theories within a broader rhetorical context Each chapter ends with a complete bibliography of works by the theorists

Deleuze, Marx and Politics Nicholas Thoburn, 2003-09-02 A critical and provocative exploration of the political conceptual and cultural points of resonance between Deleuze's minor politics and Marx's critique of capitalist dynamics engaging with Deleuze's missing work *The Grandeur of Marx* This book explores the core categories of communism and capital in conjunction with a wealth of contemporary and historical political concepts and movements from the lumpenproletariat and anarchism to Italian autonomia and Antonio Negri immaterial labour and the refusal of work This book will serve as an introduction to Deleuze's politics and the contemporary vitality of Marx for students and will challenge scholars in the fields of social and political theory sociology and cultural studies

Rocket States: Atomic Weaponry and the Cultural Imagination Fabienne Collignon, 2014-07-31 *Rocket States* crosses the disciplines of Cold War Studies American Literature American Studies and Cultural Studies The particular attraction of this study lies in the combination of its range close textual and visual analysis of the correlations between land and weaponry set firmly within its political and cultural contexts with its unique analytical approach The book offers a synthesis between history theories of technology theories of space popular culture literary study and military science It illuminates a variety of literary texts from key writers and thinkers such as Pynchon Stephen King Norman Mailer and Tom Wolfe while also invoking figures like Nikola Tesla James Webb Batman and Ronald Reagan Organised topographically according to how missile technology manifests itself differently in particular locations *Rocket States*'s geographical targets are Colorado Kansas Cape Canaveral and New York variously titled Excavation Preservation Evacuation and Transmission It advances through these states roughly chronologically beginning in the late 1940s and early 1950s and coming to an end in the first part of the 21st century Collignon's argument is concerned with identifying the recurring figures and fantasies of the Cold War the dome or parabola as sheltering techno form the fictions of total security adapting to constantly changing targeting strategies gadget love closed freezing worlds As such *Rocket States* analyses by what processes the Cold War is frequently literalised in its weapons installations and how these facilities in turn shape dreams of containment survival escape techno supremacy

The Idea of the Avant Garde Marc James Léger, 2019-10-15 The concept of the avant garde is highly contested whether one consigns it to history or claims it for present day or future uses The first volume of *The Idea of the Avant Garde And What It Means Today* provided a lively forum on the kinds of radical art theory and partisan practices that are possible in today's world of global art markets and creative industry entrepreneurialism This second volume presents the work of another 50 artists and writers exploring the

diverse ways that avant gardism develops reflexive and experimental combinations of aesthetic and political praxis The manifest strategies temporalities and genealogies of avant garde art and politics are expressed through an international intergenerational and interdisciplinary convocation of ideas that covers the fields of film video architecture visual art art activism literature poetry theatre performance intermedia and music

Back Issues Gary Genosko, 2019-06-12 Using independent critical and cultural theory journals that cross the Canada US border as key examples this book shows how to interpret the original practices of periodicals by tracing editorial diasporas and transitions to electronic publishing Back Issues explains the role of independent theory journals in the institutional formation of critical theory and cultural studies in Canada and the US by focusing on two seminal publications Paul Piccone's Telos and Arthur Kroker's Canadian Journal of Political and Social Theory Editorial transits across the international border figure largely as do founding conferences interpersonal flare ups and the conviviality of academic communities and pre gentrified urban bohemias Both commensurable and incommensurable relationships between journal projects are analysed and a hitherto unwritten history of critical and cultural theory in Canada is broached

Composition and Sustainability Derek Owens, 2001 Owens works out his theories for higher education English departments professors and teachers His main impetus is that English studies departments should focus on sustainability meeting today's needs without jeopardizing the interests of future generations in order to teach students the central role of language composition and literature to their lives
