Senator Pothole The Unauthorized Biography Of Al Damato:

Senator Pothole Leonard Lurie,1994 How D Amato committed perjury before a grand jury and then admitted it ten years later when the statute of limitations had run out His involvement in the savings and loan scandal How D Amato intimidated the Senate Ethics Committee members into slapping him on the wrist instead of expelling him from the Senate *The Man Who Sold the World* William Kleinknecht,2010-01-26 Since Ronald Reagan left office and particularly after his death his shadow has loomed large over American politics Republicans and many Democrats have waxed nostalgic extolling the Republican tradition he embodied the optimism he espoused and his abilities as a communicator This carefully calibrated image is complete fiction argues award winning journalist William Kleinknecht The Reagan presidency was epoch shattering but not as his propagandists would have it because it invigorated private enterprise or made America feel strong again His real legacy was the dismantling of an eight decade period of reform in which working people were given an unprecedented sway over our politics our economy and our culture Reagan halted this almost overnight In the tradition of Thomas Frank's *What's the Matter with Kansas* Kleinknecht explores middle America starting with Reagan's hometown of Dixon Illinois and shows that as the Reagan legend grows his true legacy continues to decimate middle America *Hitler's Silent Partners* Isabel Vincent,2011-03-04 Award winning journalist Isabel Vincent unravels the labyrinthine story behind the headlines by taking us through the life of survivor Ren e Appel who found refuge in Canada With her we come to understand what it means to wait for justice how on the eve of war desperate men and women entrusted their life savings to Swiss banks how Nazis laundered gold looted from Jewish families how the demands of international business Swiss bank secrecy and greed kept the truth hidden for over half a century and still prevent restitution from being made *Hitler's Silent Partners* is a rigorous and often heartbreaking look at statistics seldom given a human face **New York State and the Rise of Modern Conservatism** Timothy J. Sullivan,2008-12-01 From the early 1960s until 1980 New York's Conservative and Republican Parties battled on the editorial page at the ballot box and in the courts over the ideology of the GOP New York State and the Rise of Modern Conservatism recounts the story of how New York reputedly the most liberal of all states played a critical role in conservatism's political ascendancy and in the redrawing according to ideology of the country's party lines Examining the colorful personalities central to the transformation including Governor Nelson Rockefeller William F Buckley Jr John Lindsay Roy Cohn Jackie Robinson Clare Booth Luce G Gordon Liddy and William Casey author Timothy J Sullivan recounts the details of the party's battle a battle that ultimately forced the state's liberal Republicans to choose between their party and their ideology resulting in a reliably conservative national GOP prepared to nominate Ronald Reagan **The Gods of New York** Jonathan Mahler,2025-08-12 A sweeping chronicle of four tumultuous years in 1980s New York that changed the city forever and anticipated the forces that would soon divide the nation from the bestselling author of *Ladies and Gentlemen the Bronx Is Burning* A rip roaring sweeping essential work of history a deeply reported and brilliantly

observed account of how the modern city was born and why all of us continue to live with the results Jonathan Eig Pulitzer Prize winning author of *King A Life* New York entered 1986 as a city reborn Record profits on Wall Street sent waves of money splashing across Manhattan bringing a battered city roaring back to life But it also entered 1986 as a city whose foundation was beginning to crack Thousands of New Yorkers were sleeping in the streets addicted to drugs dying of AIDS or suffering from mental illnesses Nearly one third of the city's Black and Hispanic residents were living below the federal poverty line Long simmering racial tensions threatened to boil over The events of the next four years would split the city open Howard Beach Black Monday Tawana Brawley The crack epidemic The birth of ACT UP The Central Park jogger The release of Do the Right Thing And a cast of outsized characters Ed Koch Donald Trump Al Sharpton Spike Lee Rudy Giuliani Larry Kramer would compete to shape the city's future while building their own mythologies *The Gods of New York* is a kaleidoscopic and deeply immersive portrait of a city whose identity was suddenly up for grabs Could it be both the great working class city that lifted up immigrants from around the world and the money soaked capital of global finance Could it retain a civic culture a common idea of what it meant to be a New Yorker when the rich were building a city of their own and vast swaths of its citizens were losing faith in the systems meant to protect them New York City was one thing at the dawn of 1986 it would be something very different as 1989 came to a close This is the story of how that happened **People in the News, 1995** Macmillan Publishing, David Brownstone, Irene Franck, 1995-05 Presents clear up to date biographical information on a wide selection of the most newsworthy people in the world **Sweet and Low** Rich Cohen, 2007-03-20

Sweet and Low is the amazing bittersweet hilarious story of an American family and its patriarch a short order cook named Ben Eisenstadt who in the years after World War II invented the sugar packet and Sweet N Low converting his Brooklyn cafeteria into a factory and amassing the great fortune that would destroy his family It is also the story of immigrants to the New World sugar saccharine obesity and the health and diet craze played out across countries and generations but also within the life of a single family as the fortune and the factory passed from generation to generation The author Rich Cohen a grandson disinherited and thus set free along with his mother and siblings has sought the truth of this rancorous colorful history mining thousands of pages of court documents accumulated in the long and sometimes corrupt life of the factor and conducting interviews with members of his extended family Along the way the forty year family battle over the fortune moves into its titanic phase with the money and legacy up for grabs **Sweet and Low** is the story of this struggle a strange comic farce of machinations and double dealings and of an extraordinary family and its fight for the American dream People in the News, 1996 David Brownstone, Irene Franck, 1996-05 Members of Congress Robert Goehlert, Fenton S.
