Rediscovering America Scott S. Powell, 2022-03-08 Ever wonder why everyone wants to immigrate to America Rediscovering America answers that question and it s like no other history you have ever read More than an account of people dates and events this story is about the hidden hand of a purposeful historical development where the main actors are colorful characters participating in an American drama of little known but remarkable events where overcoming incredible

odds of failure is more unbelievable and engaging than fiction And while each chapter is a stand alone tale some quite wild about what is behind each of the American holidays the page and chapter turning appeal of Rediscovering America is in the narratives that link the holiday stories together revealing an account of progress and redemption in America covering over four hundred years never before told in a concise and readable book *American Patriots* Rick Santorum,2012-10-02 The United States of America was founded and established by ordinary citizens just like you and me In their struggle for independence these heroic men and women willingly shed their blood sweat and tears often sacrificing their own lives and fortunes in order to hand down the precious legacy of freedom we all enjoy today Now is the time for a new generation of American patriots to rise up and join in the fight Now is the time for every American to return to the virtues values and ideals that formed our foundation of freedom and enable America to remain a great nation a powerful democracy and a beacon of hope for the world American Patriots highlights the heroic men and women who valiantly fought to secure our God given rights of life liberty and the pursuit of happiness not only for themselves and their children but for countless future generations Their stories are a true reminder of the extraordinary faith courage and determination that set this country on the path to greatness centuries ago and an inspiration for future generations of great American patriots *Portraits of Jewish-American Heroes* Malka Drucker,2017-01-17 From its beginnings America founded on religious freedom has been a land of opportunity for Jews socially as well as spiritually Here are profiles of twenty one individuals who have enriched America and the lives of Americans through their achievements in such areas as science sports film making and civil rights An inspiring journey through more than two centuries of American Jewish history *Haym by George Jackson* Grin,2016-05-25 Many people know George is George Washington the father of our country Many however do not know the details of his brilliant career as a soldier his stand on slavery and his fervor in establishing the freedoms we hold dear Nor do they know that despite his superb leadership we would have lost the revolutionary war and our chance to become an independent nation if it were not for foreign intervention Few know Haym Salomon the savior of our country Who was he and why was he important He was a Jewish Polish immigrant who was mainly responsible for financing the American Revolutionary War He was caught by the British and sentenced to death as an American spy How he escaped the hangmans noose and became a friend of George Washington is part of the story George Washington said Haym Salomon provided the funds for our army when everyone including all the colonies refused If it were not for Haym Salomon we could not have fought the Revolutionary War and won our independence nor survived as a newborn nation The lives and times of George Washington and Haym Salomon are inextricably woven into the fabric of the Revolutionary War our fight for independence and the ideals upon which this nation was founded This book therefore encompasses much of the magnificent contributions of these two patriots and the actual events that led to the difficult birth and early survival of the United States of America and the principles forever enshrined to protect our democracy **The Grandees** Stephen Birmingham,2015-12-01 The New

World's earliest Jewish immigrants and their unique little known history A New York Times bestseller from the author of *Life at the Dakota* In 1654 twenty three Jewish families arrived in New Amsterdam now New York aboard a French privateer They were the Sephardim members of a proud orthodox sect that had served as royal advisors and honored professionals under Moorish rule in Spain and Portugal but were then exiled from their homeland by intolerant monarchs A small closed and intensely private community the Sephardim soon established themselves as businessmen and financiers earning great wealth They became powerful forces in society with some like banker Haym Salomon even providing financial support to George Washington's army during the American Revolution Yet despite its major role in the birth and growth of America this extraordinary group has remained virtually impenetrable and unknowable to outsiders From author of *Our Crowd* Stephen Birmingham *The Grandees* delves into the lives of the Sephardim and their historic accomplishments illuminating the insulated world of these early Americans Birmingham reveals how these families with descendants including poet Emma Lazarus Barnard College founder Annie Nathan Meyer and Supreme Court Justice Benjamin N Cardozo influenced and continue to influence American society

L'Chaim! Susan Goldman Rubin, 2004-10-26 Coinciding with the 350th anniversary of the first recorded Jewish settlement in North America this lavishly illustrated introduction to Jewish life is a compilation of compelling first person reports and well documented facts that provide readers with examples of North American Jewish life Illustrations

As America Has Done to Israel John P. McTernan, 2008-03-04 Is America on a Collision Course with God There is a direct correlation between the alarming number of massive disasters striking America and her leaders pressuring Israel to surrender her land for peace Costing hundreds of lives and causing hundreds of billions of dollars worth of damage dozens of disasters have hit America and always within twenty four hours of putting pressure on Israel These disasters have included earthquakes raging fires hurricanes floods tsunamis and tornadoes What can you do as an individual and what can America do to change the direction of our country in relation to Israel and prevent the increasing number of calamities

The Jews in America Trilogy Stephen Birmingham, 2016-06-28 Three New York Times bestsellers chronicle the rise of America's most influential Jewish families as they transition from poor immigrants to household names In his acclaimed trilogy author Stephen Birmingham paints an engrossing portrait of Jewish American life from the colonial era through the twentieth century with fascinating narrative and meticulous research The collection's best known book *Our Crowd* follows nineteenth century German immigrants with recognizable names like Loeb Sachs Lehman Guggenheim and Goldman Turning small family businesses into institutions of finance banking and philanthropy they elevated themselves from Lower East Side tenements to Park Avenue mansions Barred from New York's gentile elite because of their religion and humble backgrounds they created their own exclusive group as affluent and selective as the one that had refused them entry *The Grandees* travels farther back in history to 1654 when twenty three Sephardic Jews arrived in New York Members of this small and insulated group considered the first Jewish community in America soon established themselves as wealthy

businessmen and financiers With descendants including poet Emma Lazarus Barnard College founder Annie Nathan Meyer and Supreme Court Justice Benjamin N Cardozo these families were and still are hugely influential in the nation s culture politics and economics In *The Rest of Us* Birmingham documents the third major wave of Jewish immigration Eastern Europeans who swept through Ellis Island between 1880 and 1924 These refugees from czarist Russia and Polish shtetls were considered barbaric uneducated and too steeped in the traditions of the old country to be accepted by the well established German American Jews But the new arrivals were tough passionate and determined Their incredible rags to riches stories include those of the lives of Hollywood tycoon Samuel Goldwyn Broadway composer Irving Berlin makeup mogul Helena Rubenstein and mobster Meyer Lansky This unforgettable collection comprises a comprehensive account of the Jewish American upper class their opulent world and their lasting mark on American society *Not Your Father's Founders* Arthur G Sharp,2012-06-18 The founding fathers reframed Tired of reading about stiff snooze worthy revolutionary rebels How about lackluster wars and mind numbing laws *Not Your Father s Founders* breathes life back into history with dynamic profiles of the politicians wartime heroes and lesser known but equally important players who built this nation Featuring hundreds of strange details and quirky stories you ll love learning all about the thinkers doers and maintainers who spearheaded the rebellion This re read of American history will also keep you on your toes with entertaining facts quotations and revelations For example Samuel Adams father was a merchant and brewer Young Samuel worked for a while at the family brewery but he did not have the head for it or business in general The birth of our nation was anything but dull and *Not Your Father s Founders* pays proper tribute to our country s creators with entertaining tales you ll never forget
