Sender And Sent A Study In Mission A Study In Mission:

Sender and Sent: a Study in Mission Leslie Davison,1969 The Missions of Jesus and the Disciples According to the Fourth Gospel Andreas J. Köstenberger,1998 In this exegetical study of the Gospel of John Andreas Kostenberger strives to discover and articulate a throroughtly biblical theology of mission which would have contemporary implications for how the church responds to Christ's mandate Introduction to the Sociology of Missions Robert L. Montgomery,1999-11-30 While much work has been done to apply anthropological insights to the study of missions the sociological perspective has been generally neglected by missiologists This volume defines the sociology of missions as a discrete subdiscipline within the sociology of religion and provides a working set of conceptual resources for those involved in mission work to use in furthering their understanding of their task The author reviews the major areas of sociology that are most relevant to missions and presents his findings as a basis for discussion and a stimulus to further exploration of relevant sociological concepts and theories One of his main goals is to increase dialogue between missiologists and sociologists of religion by providing the former with a sociological perspective and the latter with a deeper understanding of the missionary enterprise

Missions and You! Larry Caldwell, Missions and You is a concise yet comprehensive missions Mission Studies ,1917 book in which the author draws principles from nearly three decades of experience in training missionaries in the Asian context He surveys the current state of world missions gives an overview of missions in the Bible and builds a case for the equal importance of senders and sent ones The practical insights and discussion questions in each chapter help readers decide how to become part of what God is doing in today s world Bishop Efraim Tendero D D National Director Philippine Council of Evangelical Churches What Is the Mission of the Church? Kevin DeYoung, Greg Gilbert, 2011-09-08 Social justice and mission are hot topics today there s a wonderful resurgence of motivated Christians passionate about spreading the gospel and caring for the needs of others But in our zeal to get sharing and serving many are unclear on gospel and mission Yes we are called to spend ourselves for the sake of others but what is the church's unique priority as it engages the world DeYoung and Gilbert write to help Christians articulate and live out their views on the mission of the church in ways that are theologically faithful exegetically careful and personally sustainable Looking at the Bible's teaching on evangelism social justice and shalom they explore the what why and how of the church's mission From defining mission to examining key passages on social justice and their application to setting our efforts in the context of God's rule DeYoung and Gilbert bring a wise studied perspective to the missional conversation Readers in all spheres of ministry will grow in their understanding of the mission of the church and gain a renewed sense of urgency for Jesus call to preach the Word and make disciples

Mission as Integrated Witness Jae-Suk Lee,2021-05-25 This study aims to read Jesus s foot washing narrative missionally John 13 1 38 A missional reading is identical to a missional hermeneutics based on the literary theological interpretation of the text John uses sending language and formulae and the frame of as so throughout the whole Gospel

which clarifies Jesus s and his disciples mission as integrated witness In this literary context the foot washing narrative signifies the integrated witness of Jesus and the disciples The narrative consists of two parts one Jesus s symbolic action for his death and the other for its interpretation for the disciple community Jesus s death as his unique mission results in purifying both his disciples and the world so that they might dwell in the holy union with the triune God The disciples are sent into the world Just as Jesus did so must they proclaim Jesus and his teachings Also they should bear witness to him by living Jesus s life pattern of self giving sacrificial love and humble service Their verbal proclamation as evangelism and life witness cannot be separated to testify to Jesus and their identity Finally today's Christians specifically Evangelicals are invited to participate in the Johannine mission as the integrated witness of evangelism and life witness Migration Peter C. Phan, Oxford Editor, 2025-10-07 This book essays a not the Christian theology of migration The phenomenon of human migration that is the movement of people to and settlement temporary or permanent in a new area or country its causes and reasons and its historical anthropological social political legal and cultural dimensions have been widely studied and reasonably well understood and the next chapter will discuss them in detail By contrast theology as an academic discipline seems least capable of illuminating this human phenomenon It appears to most people outside the church and its educational institutions to be at best an esoteric subject and at worst a convoluted and useless mumbo jumbo especially when liberally sprinkled with Greek and Latin phrases Why not leave the study of migration to scholars in history sociology anthropology economics politics and law who albeit no less infected with highfalutin language than theologians do at least try to offer practical policies and effective strategies either for or against immigration Provided by publisher

Herald of Gospel Liberty, 1909 **Covenant of Peace** Willard M. Swartley, 2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley's Covenant of Peace remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message Covenant of Peace confronts readers anew with the compelling New Testament witness to peace **The Spirit of Missions**, 1917 Includes the proceedings of the annual meeting of the Society Beautiful upon the Mountains Mary H. Schertz, Ivan Friesen, 2008-04-01 These essays by biblical scholars show that friction in the church between evangelism and peace activism is neither helpful nor biblical mission and peace are inseparable throughout the biblical canon Those who seek God's reign are called to proclaim the gospel of peace Jesus as the Pierced One Bret A. Rogers, 2020-06-08 How can John use Zech 12 10 to explain both Jesus

first coming in humility John 19 37 and Jesus second coming in glory Rev 1 7 In this book Rogers demonstrates how God s self revelation in Jesus provides the key for understanding the fulfillment of Zech 12 10 in light of both John s high Christology and John's inaugurated and consummated eschatology In contrast to previous approaches Rogers proposes that John interprets Zech 12 10 not simply along a human messianic axiom but along a divine messianic axiom Moreover by treating Zech 12 10 John 19 37 and Rev 1 7 in a single study readers will better understand the unified narrative spanning the Testaments the nature of Jesus divine identity and mission in John's writings and how Jesus divine nature and mission compels the church to live between his two advents The Ongoing Role of Apostles in Missions Don Dent, 2019-02-15 Numerous trends are presently converging in ways that make this moment in mission history significant These include the growth of short term service the multiplication of mission organizations local churches sending missionaries without an agency and the internationalization of missions It is crucial in the midst of such change that we not lose connection with the New Testament model of the missionary apostles Apostles now commonly called missionaries are God's gift for the initial planting phase of the church among every people to the end of the age This unique church planting role is the forgotten foundation of the church Much of the ineffectiveness in missions is due to our attempts to build Christ's church on a different foundation This book will examine five critical questions from the perspective of biblical scholarship history and contemporary experience Why are missions minded Evangelicals reluctant to identify missionaries as apostles considering that the two words have the same root meaning How is apostolos used in the New Testament and specifically is it sometimes used as a designation for missionaries How should we conceptualize an ongoing role for missionary apostles that does not detract from the crucial unique role of the original Apostles What ministry pattern does the New Testament record from the lives of the early missionary apostles How should an awareness of missionary apostles guide our mission efforts today
