Senners Gold:

Senner's Gold Helen Corbin,1993 A diary found in an attic trunk told the story of a cowboy miner his search for forbidden gold and of other lives forever changed because of it An exciting factional account based on a true story **Sweet Pine Saints and Sinners** Nancy Kissiar,2024-08-09 Theodore Lancaster the man responsible for training the fourteen spy squirrels that caused an international stink after being caught and killed in Iran moved to Sweet Pine to retrain the rest of the squirrel team to steal jewelry His largest and smartest squirrel Goliath successfully stole a magnificent diamond bracelet but when Theo saw the hurt caused by the theft he secretly returned the bracelet and left town without a word On his way out of town he placed a beautiful porcelain squirrel on the mantle of the woman he had come to admire Now a year had passed and Theodore had returned to Sweet Pine to seek forgiveness from those he had hurt As he visited those involved he realized a couple of Sweet Pine s less honorable citizens were racing to find the lost treasures of Col Rance Bigley the hero of the War Between the States They were willing to do whatever it took to steal the gold and jewels It was up to him to save Sweet Pine from murder and mayhem Maybe along the way he would also find the way to win the heart of his one true love

Samuel Rutherford, 1803 Sinners and Saints Derek Cooper, 2018 Where most books dance around the distasteful details of the church's past this one puts a spotlight on the negative and positive alike With one ear attuned to the early church and another to contemporary culture this book addresses the growing concerns both Christians and non-Christians have about how transparent the church has been about its roots This book offers a forthright depiction of early Christianity beginning with the apostles and ending after the time of Augustine Sinners and Saints is the first of a four volume series that humanizes the history of Christianity by honestly examining the actions doctrines decisions groups movements and practices of past Christians This book's assessment helps the reader accurately understand Christianity's background and recognize how it continues to shape the present Deadwood Saints and Sinners Jerry L. Sins and Sinners, 2012-08-17 Asian religious traditions have always been deeply concerned with sins and what to do about them As the essays in this volume illustrate what Buddhists in Tibet India China or Japan what Jains Daoists Hindus or Sikhs considered to be a sin was neither one thing nor exactly what the Abrahamic traditions meant by the term Sin could be both undesirable behavior and unacceptable thoughts In different contexts at different times and places a sin might be a ritual infraction or a violation of a rule of law it could be a moral failing or a wrong belief However defined sins were considered so grave a hindrance to spiritual perfection so profound a threat to the social order that the search for their remedies through rituals of expiation pilgrimage confession recitation of spells or philosophical reflection was one of the central quests of the religions studied here *The Last of the Sinners* Lynn Shurr, 2024-07-15 Rex Billodeaux has his life exactly where he wants it He has returned to New Orleans to play quarterback for Sinners Super Bowl prospects look good and so does Dre Ames a young woman he has known since the age of seventeen but overlooked because she has a son she gave birth to as a teen He is about to propose when the death of the team owner throws the Sinners into turmoil The trophy wife who inherits the team hates football and the city society who snubbed her She plans to sell the team out of state and will only reconsider if Rex agrees to do her every bidding and break up with Dre He takes one for the team and signs her agreement Will he be able to save the Sinners and return to Dre That is the question
