Greenfield, 2001-01-01 In 1995 and 1996 six film or television adaptations of Jane Austen's novels were produced an unprecedented number More amazing all were critical and or box office successes What accounts for this explosion of interest Much of the appeal of these films lies in our nostalgic desire at the end of the millennium for an age of greater politeness and sexual reticence Austen's ridicule of deceit and pretentiousness also appeals to our fin de siècle sensibilities The novels were changed however to enhance their appeal to a wide popular audience and the revisions reveal much about our own culture and its values These recent productions espouse explicitly twentieth century feminist notions and reshape the Austenian hero to make him conform to modern expectations Linda Troost and Sayre Greenfield present fourteen essays examining the phenomenon of Jane Austen as cultural icon providing thoughtful and sympathetic insights on the films through a variety of critical approaches The contributors debate whether these productions enhance or undercut the subtle feminism that Austen promoted in her novels From *Persuasion* to *Pride and Prejudice* from the three *Emmas* including *Clueless* to *Sense and Sensibility* these films succeed because they flatter our intelligence and education And they have as much to tell us about ourselves as they do about the world of Jane Austen This second edition includes a new chapter on the recent film version of *Mansfield Park* *Tea Cultures of Europe: Heritage and Hospitality* Hartwig Bohne, 2024-06-04 No matter where you are in the world you are at home when tea is served Earlene Grey Tea has its very own significance in every consumer's life However above all tea represents enjoyment the ritual of preparation and the appreciation of the moment In this sense tea creates hospitality and peace tea brings people together to talk and to make time for each other Tea needs time tea spends time In this pioneering book featuring hospitality embraced by tea culture you will read of fascinating tea ceremonies impressive tea china and comfortable tea houses as well as different national and regional tea related habits in European countries Nearly 50 contributions provide unique insights Samowars in the East Dresmer blue porcelain in Germany tulip glasses in Turkey and around silver tea pots in Great Britain and many more The first tea plantations in Portugal or Georgia are discussed as well as tea in arts tea events tea flavoured signature products tea pairing and impulses for entrepreneurship and education *Tea Cultures of Europe* is written for tea lovers educators and students as well as industry practitioners tea sommeliers tea masters and entrepreneurs **English Classics in Audiovisual Translation** Irene Ranzato, Luca Valleriani, 2024-10-23 This collection explores the translation of dialogue from the adaptations of literary classics across audiovisual media engaging with the question of what makes a classic through an audiovisual translation lens The volume seeks to fill a gap on the translation of classic texts in AVT research which has tended to focus on contemporary media The book features well known British literary texts but places a special emphasis on adaptations of the works of Jane Austen and William Shakespeare figures whose afterlives have mirrored each other in the proliferation of film and television adaptations of their work Chapters analyze myriad modes of AVT

including dubbing subtitling SDH and voice over to demonstrate the unique ways in which these modes come together in adaptations of classics and raise questions about censorship language ideologies cultural references translation strategies humor and language variation In focusing on translations across geographic contexts the book offers a richer picture of the linguistic cultural and ideological implications of translating literary classics for the screen and the enduring legacy of these works on a global scale This book will be of interest to scholars in audiovisual translation literary translation comparative literature film and television studies and media studies

There She Goes Again Aviva Dove-Viebahn,2023-12-15 *There She Goes Again* interrogates the representation of ostensibly powerful women in transmedia franchises examining how presumed feminine traits love empathy altruism diplomacy are alternately lauded and repudiated as possibilities for effecting long lasting social change By questioning how these franchises reimagine their protagonists over time the book reflects on the role that gendered exceptionalism plays in social and political action as well as what forms of knowledge and power are presumed distinctly feminine The franchises explored in this book illustrate the ambivalent post feminist representation of women protagonists as uniquely gifted in ways both gendered and seemingly ungendered and yet inherently bound to expressions of their femininity At heart *There She Goes Again* asks under what terms and in what contexts women protagonists are imagined envisioned embodied and replicated in media Especially now in a period of gradually increasing representation women protagonists demonstrate the importance of considering how we should define and whether we need feminine forms of knowledge and power
