Sense Of Justice:

The Paradigm of Justice Kantilal Das, 2021-08-18 This book deals with the fascinating debate over the concept of justice proposed by two contemporary thinkers namely John Rawls and Amartya Sen Justice means what is just but how do we know what is just What would be the viable criterion to legitimize justice Is justice objective or subjective Is justice a matter of ontological issue or an issue of realization What would be the paradigm of justice These are some important issues discussed in the book Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *International Law as Social Construct* Carlo Focarelli, 2012-05-24 The book distils and articulates international law as a social construct It does so by analysing its social foundations essence and roots in practical and socially workable as opposed to pure reason In addition to well known doctrines of jurisprudence and international law it draws upon psycho analytic insights into the origins and nature of law as well as philosophical social constructivism The work suggests that seeing law as a social construct is crucial to our understanding of international law and to the struggle to create better working rules The book re conceptualizes both past and new doctrines of international law as constructs namely as strategies of concomitantly de mythologizing and re mythologizing international law Key areas of international law including subjects sources hierarchy values and remedies are shown to be part of this process The social impact on international law of transnational actors and stakeholders normative fragmentation global justice legitimacy of both rules and players dynamics and hierarchization of norms compliance and implementation in municipal law is also extensively investigated Five basic values of the international community namely security humanity wealth environment and knowledge are explored by stressing their inter and intra tensions Finally the analysis is extended to the role that international courts play in the prosecution of heads of state and other transnational players who violate international law **The Concept of Equality in Its Relation to a Principle of Political Obligation** Frank Fritts, 1915 **A Passion for Justice** Robert C. Solomon, 1995 This text argues that justice is a virtue which everyone shares a function of personal character and not just of government or economic planning It uses examples from Plato to Ivan Boesky to document how we live and how we feel

The Oxford Handbook of Global Justice Thom Brooks, 2020-02-27 Global justice is an exciting area of refreshing innovative new ideas for a changing world facing significant challenges Not only does work in this area often force us to rethink about ethics and political philosophy more generally but its insights contain seeds of hope for addressing some of the greatest global problems facing humanity today The Oxford Handbook of Global Justice has been selective in bringing together some of the most pressing topics and issues in global justice as understood by the leading voices from both established and rising stars across twenty five new chapters This Handbook explores severe poverty climate change egalitarianism global citizenship human rights immigration territorial rights and much more **Concepts of Justice** David Daiches Raphael, 2001 In Concepts of Justice D D Raphael gives a philosophical survey of the development of the idea of

justice While the framework is historical the aim is philosophical analysis and criticism Part I begins with Ancient Roots justice in the Bible in Aeschylus Oresteia in the philosophers Plato and Aristotle and among jurists and theologians in the Middle Ages Part II Modern Shoots deals with philosophers from Hobbes to Rawls and others of the modern age Some of the writings considered will be unfamiliar to many readers who will find that eminence as a political theorist is neither a necessary nor sufficient condition of significant thought about justice Part III Historical Fruits draws some conclusions from the whole survey pinning down the notion of fairness and asking why this notion embraces apparently disparate ideas notably merit and need The developing role of justice and the emergence of novel features during the last three centuries is also discussed Raphael does not assume that the theories of philosophers must reflect the thought and usage of people generally some do while others are idiosyncratic and a number of philosophers neglect the usage of the concept in the context of law While this book is not a comprehensive history it is comprehensive in its scope The Legal Aid Review ,1903 **The Heart of Catholic Social Teaching** David Matzko McCarthy,2009-03-01 This accessible introduction covers the complete history and contemporary contexts of the church s involvement in Catholic social tradition giving distinctive attention to the Bible liturgy the thought of Augustine and Aquinas and recent theological developments Bringing together veteran teachers of Catholic Social Teaching who have worked together on the content this book is designed to set social questions within the Catholic tradition and contemporary life End of chapter application sections address practical concerns such as racism in the church charity consumerism and talking with neighbors and coworkers about moral issues Discussion questions case studies excerpts of church documents and suggestions for further reading enhance the book s usefulness It will work well for students of theology and ethics particularly Catholics but also Protestants who want to know more about the Catholic social tradition **Common Sense Justice for the Nation's Capital** United States. Congress. House. Committee on Government Reform,2004 *Southwestern Law Review* ,1916 *Mitigation and Aggravation at Sentencing* Julian V. Roberts,2011-08-25 This innovative volume explores a fundamental issue in the field of sentencing the factors which make a sentence more or less severe All sentencing systems allow courts discretion to consider mitigating and aggravating factors and many legislatures have placed a number of such factors on a statutory footing Yet many questions remain regarding the theory and practice of mitigation and aggravation Drawing on legal and sociological perspectives and examining mitigation and aggravation in various jurisdictions the essays provide practical illustrations of specific factors as well as theoretical justifications After the foreword by Andrew von Hirsch a number of contributors address broad conceptual issues raised at sentencing These contributions are followed by several empirical chapters including an exploration of personal mitigation in English courts The authors are leading scholars from a range of common law jurisdictions including England and Wales the United States Canada Australia New Zealand and South Africa A Religion of Truth, Justice and Peace Isidore Singer,1924 *The Living Age* ,1905 **Encyclopedia of Criminal Justice Ethics** Bruce A.
