Sentencing Reform In Overcrowded Times A Comparative Perspective:

Sentencing Reform in Overcrowded Times Michael Tonry, Kathleen Hatlestad, 1997-04-24 Sentencing and corrections issues are much the same in every Western country and increasingly efforts are being made to import policies and practices that have succeeded elsewhere This volume brings together articles on sentencing reform in the United States other English speaking countries Australia Canada England Wales New Zealand South Africa and Western Europe by leading national and international authorities on sentencing policy practices and institutions Short timely and readable the articles originally appeared in the journal *Overcrowded Times* Together they fill a major gap in the academic and policy literatures and will be essential reading for students scholars and practitioners in the field **Sentencing and Society** Cyrus Tata, Neil Hutton, 2017-03-02 Combining the latest work of leading sentencing and punishment scholars from twelve different countries this major new international volume answers key questions in the study of sentencing and society It presents not only a rigorous examination of the latest legal and empirical research from around the world but also reveals the workings of sentencing within society and as a social practice Traditionally work in the field of sentencing has been dominated by legal and philosophical approaches Distinctively this volume provides a more sociological approach to sentencing so allowing previously unanswered questions to be addressed and new questions to be opened This extensive collection is drawn from around one third of the papers presented at the First International Conference on Sentencing and Society Almost without exception the chapters have been revised cross referenced and updated The overall themes and findings of the international volume are set out by the opening Introduction and the closing Reflections chapters Research findings on particular penal policy questions are balanced with an analysis of fundamental conceptual issues making this international volume essential reading for sentencing and punishment scholars criminal justice policy makers and graduate students *Overcrowded Times*, 1997 *The Handbook of Crime & Punishment* Michael H. Tonry, 2000 Consisting of 28 articles this comprehensive reference work on the study of crime examines its causes effects trends and institutions current philosophies of punishment and ways of controlling crime *The Routledge Handbook of Irish Criminology* Deirdre Healy, Claire Hamilton, Yvonne Daly, Michelle Butler, 2015-12-14 The Routledge Handbook of Irish Criminology is the first edited collection of its kind to bring together the work of leading Irish criminologists in a single volume While Irish criminology can be characterised as a nascent but dynamic discipline it has much to offer the Irish and international reader due to the unique historical cultural political social and economic arrangements that exist on the island of Ireland The Handbook consists of 30 chapters which offer original comprehensive and critical reviews of theory research policy and practice in a wide range of subject areas The chapters are divided into four thematic sections Understanding crime examines specific offence types including homicide gangland crime and white collar crime and the theoretical perspectives used to explain them Responding to crime explores criminal justice responses to crime including crime prevention restorative justice approaches to policing and trial as well as

post conviction issues such as imprisonment community sanctions and rehabilitation Contexts of crime investigates the social political and cultural contexts of the policymaking process including media representations politics the role of the victim and the impact of gender Emerging ideas focuses on innovative ideas that prompt a reconsideration of received wisdom on particular topics including sexual violence and ethnicity Charting the key contours of the criminological enterprise on the island of Ireland and placing the Irish material in the context of the wider European and international literature this book is essential reading for those involved in the study of Irish criminology and international and comparative criminal justice

Understanding Public Attitudes to Criminal Justice Mike Hough, Julian Roberts, 2005-11-16 Which factors shape public opinion of criminal justice How do the views of the public influence criminal justice policy and practice This book provides an introduction to public attitudes towards criminal justice It explores the public's lack of confidence in criminal justice processes and summarizes findings on public attitudes towards the three principal components of the criminal process the police the courts and the prison system It examines the importance that people attach to different criminal justice functions such as preventing crime prosecuting and punishing offenders and protecting the public Topics include Youth justice and public opinion Public perception of restorative justice Penal populism and media treatment of crime The reliability of public opinion polls The drivers of public opinion Understanding Public Attitudes to Criminal Justice provides an international perspective on the issues surrounding criminal justice and public opinion drawing on research from the UK the United States and Canada and a range of other countries including South Africa Australia and New Zealand Key reading for students in criminology criminal justice and media studies this book is also of value to researchers and those with an interest in crime and the media

The Future of Imprisonment Michael H. Tonry, 2004 The imprisonment rate in America has grown by a factor of five since 1972 In that time punishment policies have toughened compassion for prisoners has diminished and prisons have gotten worse a stark contrast to the origins of the prison 200 years ago as a humanitarian reform a substitute for capital and corporal punishment and banishment So what went wrong How can prisons be made simultaneously more effective and more humane Who should be sent there in the first place What should happen to them while they are inside When how and under what conditions should they be released The Future of Imprisonment unites some of the leading prisons and penal policy scholars of our time to address these fundamental questions Inspired by the work of Norval Morris the contributors look back to the past twenty five years of penal policy in an effort to look forward to the prison's twenty first century future Their essays examine the effects of current high levels of imprisonment on urban neighborhoods and the people who live in them They reveal how current policies came to be as they are and explain the theories of punishment that guide imprisonment decisions Finally the contributors argue for the strategic importance of controls on punishment including imprisonment as a limit on government power chart the rise and fall of efforts to improve conditions inside analyze the theory and practice of prison release and evaluate the tricky science of predicting and preventing recidivism A definitive guide to

imprisonment policies for the future this volume convincingly demonstrates how we can prevent crime more effectively at lower economic and human cost

Critical Issues in Crime and Justice Dan Okada, Mary Maguire, Alexa Sardina, 2018-09-10 *Critical Issues in Crime and Justice* Thought Policy and Practice provides an incisive overview of issues and perspectives in criminal justice and criminology designed to expand upon key areas of study With contributed essays from leading scholars in the field the Third Edition illustrates the breadth of research policy and practice implications in areas such as crime theory law enforcement jurisprudence corrections and criminal justice organization and management New to this edition are chapters on wrongful convictions human trafficking and mental illness and criminal justice three critical issues facing contemporary policing courts and corrections The coverage of concepts insights voices and perspectives will challenge criminal justice and criminology students to synthesize what they have learned question standard interpretations and begin to create new directions and visions for their future careers as professionals in the field

Integrating a Victim Perspective within Criminal Justice Adam Crawford, Jo Goodey, 2019-11-12 As numerous academic and political commentators have noted the implications of introducing a victim's perspective into the delicate balance between state and offender is likely to be a key issue in the future of criminal justice This book seeks to outline the contours of the relevant debates drawing together contributions from prominent international and national commentators from areas including criminology law philosophy social policy politics and sociology

Critical Issues in Crime and Justice Mary Maguire, Dan Okada, 2014-11-11 A comprehensive provocative overview of the origins and present state of issues and perspectives in criminal justice and criminology from leading scholars in the field In this important book of essays leading scholars explore the gamut of topics in criminal justice and criminology examining both historical and contemporary material to illustrate the past and present of each topic covered Drawing on a wide range of sources Mary Maguire and Dan Okada illustrate the breadth of research policy and practice implications in key areas of the field such as crime theory law enforcement jurisprudence corrections and criminal justice organization and management The coverage of concepts insights voices and perspectives is geared toward students with a background in criminal justice or criminology courses to challenge them to synthesize what they have learned to question standard interpretations and to begin to create new directions and visions for their future careers as professionals in the field

Changing Attitudes to Punishment Julian Roberts, Mike Hough, 2013-01-11 Throughout the western world public opinion has played an important role in shaping criminal justice policy At the same time opinion polls repeatedly demonstrate that the public knows little about crime and justice and holds negative views of the criminal justice system This book

consisting of chapters from leading authorities in the field is concerned to address this problem and draws upon research in a number of different countries to address the issues arising from this state of affairs Its main aims are to explore the changing and evolving nature of public attitudes to sentencing to examine the factors that influence public opinion and to bring together recent international research which has demonstrated ways in which public attitudes can be changed to propose specific strategies to respond to the crisis in public confidence in criminal justice Race, Law and Society Ian Haney López, 2017-05-15 *Race Law and Society* draws together some of the very best writing on race and racism from the law and society tradition yet it is not intended to merely reprint the greatest hits of the past Instead from its introduction to its selection of articles this anthology is designed as a how to manual a guide for scholars and students seeking templates for their own work in this important but also tricky area *Race Law and Society* pulls together leading exemplars of the sorts of social science scholarship on race society and law that will be essential to racial progress as the world begins to travel the twenty first century *Decisions to Imprison* Rasmus H. Wandall, 2016-05-13 Rasmus Wandall uses quantitative and qualitative methods from studies carried out in Denmark to address the formal and informal norms and ideologies that are used to generate decisions to imprison Focusing on the operations of the courtroom participants his work investigates how court decision making is organized to allow the sentencing procedure to be open to more than its formal legal framework while at the same time keeping the sentencing within the boundaries of law and legal validity The author uses the theory of law s operational closure developed by Niklas Luhmann The theory provides an advantageous point of departure to capture the close and subtle interactions between law s need for validity and for contextual openness in every legal operation including court decision making **Law and Society** Steven Vago, 2015-07-14 For one semester undergraduate courses in Law and Society Sociology of Law Introduction to Law and a variety of criminal justice courses offered in departments of Sociology Criminal Justice and Political Science Examines the interplay between law and society *Law and Society 10e* provides an informative balanced and comprehensive analysis of the interplay between law and society This text presents an overview of the most advanced interdisciplinary and international research theoretical advances ongoing debates and controversies It raises new levels of awareness on the structure and functions of law and legal systems and the principal players in the legal arena and their impact on our lives In addition it looks at the legal system in the context of race class and gender and considers multicultural and cross cultural issues in a contemporary and interdisciplinary context *Parental Incarceration and the Family* Joyce A. Arditti, 2014-05-22 Winner of the 2014 Outstanding Book Award presented by the Academy of Criminal Justice Sciences Over 2% of U S children under the age of 18 more than 1 700 000 children have a parent in prison These children experience very real disadvantages when compared to their peers they tend to experience lower levels of educational success social exclusion and even a higher likelihood of their own future incarceration Meanwhile their new caregivers have to adjust to their new responsibilities as their lives change overnight and the incarcerated parents

are cut off from their children's development Parental Incarceration and the Family brings a family perspective to our understanding of what it means to have so many of our nation's parents in prison Drawing from the field's most recent research and the author's own fieldwork Joyce Arditti offers an in depth look at how incarceration affects entire families offender parents children and care givers Through the use of exemplars anecdotes and reflections Joyce Arditti puts a human face on the mass of humanity behind bars as well as those family members who are affected by a parent's imprisonment In focusing on offenders as parents a radically different social policy agenda emerges one that calls for real reform and that responds to the collective vulnerabilities of the incarcerated and their kin
