Winzeler, 2004-02-29 Among Borneo's spectacular indigenous buildings the longhouses mortuary monuments and other architectural forms of the interior are some of the most outstanding and much of the renewed interest in indigenous architecture has focused on the rapidly vanishing or now extinct traditional forms of a small number of surviving examples or recreations Drawing on the author's extensive research and travel in Borneo this impressive and original study offers a more comprehensive account of this architecture than any previous work Organized into two sections the book first documents and explains traditional built forms in terms of tools and materials the environmental context village organization and social arrangements This section includes a full discussion of architecture designs and symbolism especially those dealing with life and death The author next looks at the destruction or transformation of traditional architecture based on a number of interrelated developments including religious conversion Western influence internal migration and logging as well as governmental attitudes and efforts The book concludes with a discussion of recent efforts to document and preserve traditional structures and turn indigenous as well as colonial architecture into history and heritage      **German Pedagogy. Education, the School, and the Teacher, in German Literature** Henry Barnard, 2024-06-11 Reprint of the original first published in 1876      Fraser's Magazine for Town and Country ,      *The Stem Family in Eurasian Perspective* Antoinette Fauve-Chamoux, Emiko Ochiai, 2009 Is the Asian stem family different from its European counterpart This question is a central issue in this collection of essays assembled by two historians of the family in Eurasian perspective The stem family is characterized by the residential rule that only one married child remains with the parents This rule has a direct effect upon household structure In short the stem family is a domestic unit of production and reproduction that persists over generations handing down the patrimony through non egalitarian inheritance In spite of its ambiguous status in current family typology as something lurking in the valley between the nuclear family and the joint family the stem family was an important family form in pre industrial Western Europe and has been a focus of the European family history since Fr d ric Le Play and more recently Peter Laslett However the encounter with Asian family history has revealed that many areas in Asia also had and still have a considerable proportion of households with a stem family structure The stem family debate has entered a new stage In this book some studies that benefited from recently created large databases present micro level analyses of dynamic aspects of family systems while others discuss more broadly the rise and fall of family systems past and present A main concern of this book is whether the family type in a society is ethno culturally determined and resistant to changes or created

by socio economic conditions Such a comparison that includes Asian countries activates a new phase of the discussion on the stem family and family systems in a global perspective      Year Book Australia No. 76 - 1994 Australian Bureau of Statistics,1990      *A Military Guide to Property Investing* Lachlan Vidler,Tori Colls,2022-01-01 A 10 step guide to achieving financial freedom through property investing Property investing has long been recognised as one of the most successful long term wealth creation strategies With interest rates at all time lows it looks set to continue to be so There are so many approaches to property investing it s no wonder people struggle to understand the fundamentals that drive success in property This comprehensive easy to understand guide aims to educate readers on how they can begin their own property investment journey with ruthless military precision and efficiency Written by two former military professionals Lachlan Vidler and Tori Colls *A Military Guide to Property Investing* presents the step by step method they followed to amass an impressive portfolio of properties while still in their twenties Based on the military principles of strategy discipline and execution it offers a fail safe plan to take control of your financial destiny      **Report of the Royal Commission on the Housing of the Industrial Population of Scotland, Rural and Urban** Royal Commission on Housing in Scotland,1917      **Population Census in India** Seema Jain,Madhav Shyam,2024-12-30 The population census is the primary data source for any demographic analysis the execution of social and economic development programmes administrative activity as well as for policy decisions special surveys and scientific research This book critically analyses key facets of pre census activity including its timing duration and method of enumeration It traces concepts and definitions adopted by the census of India back to its beginning in 1872 The authors also study themes such as census legislation census organisation administrative setups training strategies the instruction manual and the impact of COVID 19 on the census The volume will be indispensable for students and researchers of population studies history development studies human geography anthropology public policy and governance migration studies and South Asian studies It will also be useful for planners and policymakers      Federal Register ,1991-01-25      The census of Great Britain in 1851.
