September Blackberries:

September Blackberries Michael McClure, 1977 *Bulletin: Experiment Station Horticultural Department: 151. Raspberries, Blackberries and Grapes; 152. Report South Haven Sub-Station, 1897; 153. Vegetable Test, 1897* L. R. Taft, H. P. Gladden, 2024-01-06 Reprint of the original first published in 1883 **About the Rose** Elizabeth Ferrell, 2022-02-22 A remarkable portrait of a web of artistic connections traced outward from Jay DeFeo's uniquely generative work of art. Through deep archival research and nuanced analysis Elizabeth Ferrell examines the creative exchange that developed with and around *The Rose* a monumental painting on which the San Francisco artist Jay DeFeo 1929-1989 worked almost exclusively from 1958 to 1966. From its early state to its dramatic removal from DeFeo's studio the painting was a locus of activity among Fillmore District artists Wallace Berman Bruce Conner Wally Hedrick and Michael McClure each took up *The Rose* in their photographs films paintings and poetry which DeFeo then built upon in turn. The resulting works established a dialogue between artists rather than seamless cooperation. Illustrated with archival photographs and personal correspondence in addition to the artworks Ferrell's book traces how *The Rose* became a stage for experimentation with authorship and community defying traditional definitions of collaboration and creating alternatives to Cold War America's political and artistic binaries Expressman's Monthly, 1921 **The Vitamin B1 Content of Foods in Terms of Crystalline Thiamin** Lela Evangeline Booher, Eva Ruth Hartzler, 1939 **Notices of Judgment Under the Federal Food, Drug, and Cosmetic Act** United States. Food and Drug Administration, 1947 **Technical Bulletin**, 1941 Agriculture Decisions United States. Department of Agriculture, 1950 Up to 1988 the December issue contained a cumulative list of decisions reported for the year by act docket numbers arranged in consecutive order and cumulative subject index by act **Report, and Supplements** California Development Board, 1911 California Resources and Possibilities California Development Board, 1910 **The Spectator**, 1913 A weekly review of politics literature theology and art **Express Gazette-journal**, 1922 **Prairie Farmer**, 1893 **Ladies' Home Companion**, 1912 The Market Assistant Thomas Farrington De Voe, 1867 **The Market Assistant** Thomas Farrington De Voe, 2021-10-29 Reprint of the original first published in 1867 Antechamber, & Other Poems Michael McClure, 1978 *Antechamber and Other Poems* Michael McClure's latest book with *New Directions* joins a growing list of contributions that includes the verse collection *September Blackberries* 1974 and *Jaguar Skies* 1975 as well as the musical play *Gorf* 1976. His writing in recent years is alchemical in its intent yet his twin declarations *Biology Is Politics* and *I Am A Mammal Patriot* perhaps express more accurately both the universality of his outlook and its humane particularity. McClure's mysticism is vigorously scientific. Even the familiar patterned shapes of his poems remind us of the stars in the night sky and those we see when we shut our eyes. In the dancing lines of his newest work the title poem *Antechamber* most especially are the whirl of galaxies the radiance of molecules the energy lines of the double helix coiling around its core The Beats in Mexico David Stephen Calonne, 2022-04-15 Mexico

features prominently in the literature and personal legends of the Beat writers from its depiction as an extension of the American frontier in Jack Kerouac's *On the Road* to its role as a refuge for writers with criminal pasts like William S. Burroughs. Yet the story of Beat literature and Mexico takes us beyond the movement's superstars to consider the important roles played by lesser known female Beat writers. The first book length study of why the Beats were so fascinated by Mexico and how they represented its culture in their work, this volume examines such canonical figures as Kerouac, Burroughs, Ginsberg, Lamantia McClure and Ferlinghetti. It also devotes individual chapters to women such as Margaret Randall, Bonnie Bremser and Joanne Kyger who each made Mexico a central setting of their work and interrogated the misogyny they encountered in both American and Mexican culture. *The Beats in Mexico* not only considers individual Beat writers but also places them within a larger history of countercultural figures from D. H. Lawrence to Antonin Artaud to Jim Morrison who mythologized Mexico as the land of the Aztecs and Maya where shamanism and psychotropic drugs could take you on a trip far beyond the limits of the American imagination.

Richard Brautigan John F. Barber, 2014-12-09 Best known for his novel *Trout Fishing in America*, American writer Richard Gary Brautigan (1935-1984) published eleven novels, ten poetry collections and two story collections as well as five volumes of collected work, several nonfiction essays and a record album of spoken voice recordings. Brautigan's idiosyncratic style and humor caused him to be identified with the counterculture movement of the 1960s. The authors of many of these 32 essays knew Brautigan personally and professionally; others came to know and respect him through a cultivated connection with his writings. The essays, many of which are new, others of which were published in obscure journals, combine personal remembrance of the man and critical appraisal of his still controversial works. Includes previously unpublished photographs and artworks.
