

SONNET 147

My love is as a fever, longing still
For that which longer nurseth the disease,
Feeding on that which doth preserve the ill,
Th' uncertain sickly appetite to please.

My reason, the physician to my love,
Angry that his prescriptions are not kept,
Hath left me, and I desperate now approve
Desire is death, which physic did except.
Past cure I am, now reason is past care,
And frantic-mad with evermore unrest
My thoughts and my discourse as madmen's
are,

At random from the truth vainly expressed
For I have sworn thee fair, and thought thee
bright,

Who art as black as hell, as dark as night

The Sonnets William Shakespeare,2018-06-14 The Sonnets by William Shakespeare Shakespeare s sonnets are poems that William Shakespeare wrote on a variety of themes When discussing or referring to Shakespeare s sonnets it is almost always a reference to the 154 sonnets that were first published all together in a quarto in 1609 however there are a few additional sonnets that Shakespeare wrote and included in the plays Romeo and Juliet and Love s Labour s Lost The primary source of Shakespeare s sonnets is a quarto published in 1609 titled SHAKESPEARES SONNETS **Shakespeare's Sonnets** Philip Martin,1972 *The Sonnets of Shakespeare* William Shakespeare,1904 The One Hundred Fifty-four Sonnets of William Shakespeare William Shakespeare,1944 **Shakespeare's Sonnets Dated and Other Essays** Leslie Hotson,1949 Sonnets, from the Quarto of 1609, with Variorum Readings and Commentary. The Tenth Muse William Shakespeare,Stephen Loomes,2018-04-11 This work contains all of Shakespeare s original sonnets and after each original I have interpreted each in blank verse The interpretations are subjective as indeed is every commentary throughout the Universities and public press in the unfolding history of Shakespeare I have rearranged the numbering sequence believing during my reading that by publishing error or deliberate subterfuge by the author many of his meanings were camouflaged or separated for political or personal reasons On one level Shakespeare s revelations might have

caused personal embarrassment but on another his devout Catholicism might have seen him imprisoned in the Tower of London or worse silenced forever before he could finish his master works *Shakespeare's Sonnets* William Shakespeare,2016-06-20 *Shakespeare's sonnets* Samuel Butler, **The Sonnets** William Shakespeare,1996 Shall I compare thee to a summer s day Thou art more lovely and more temperate Rough winds do shake the darling buds of May And summer s lease hath all too short a date Sometime too hot the eye of heaven shines And often is his gold complexion dimm d And every fair from fair sometime declines By chance or nature s changing course untrimm d But thy eternal summer shall not fade Nor lose possession of that fair thou ow st Nor shall death brag thou wander st in his shade When in eternal lines to time thou grow st So long as men can breathe or eyes can see So long lives this and this gives life to thee
