**Loss, Trauma, and Resilience: Therapeutic Work With Ambiguous Loss** Pauline Boss,2018-08-28 All losses are touched with ambiguity Yet those who suffer losses without finality bear a particular burden Pauline Boss the principal theorist of the concept of ambiguous loss guides clinicians in the task of building resilience in clients who face the trauma of loss without resolution Boss describes a concrete therapeutic approach that is at once directive and open to the complex contexts in which people find meaning and discover hope in the face of ambiguous losses In Part I readers are introduced to the concept of ambiguous loss and shown how such losses relate to concepts of the family definitions of trauma and capacities for resilience In Part II Boss leads readers through the various aspects of and target points for working with those suffering ambiguous loss From meaning to mastery identity to ambivalence attachment to hope these chapters cover key states of mind for those undergoing ambiguous loss The Epilogue addresses the therapist directly and his or her own ambiguous losses Closing the circle of the therapeutic process Boss shows therapists how fundamental their own experiences of loss are to their own clinical work In Loss Trauma and Resilience Boss provides the therapeutic insight and wisdom that aids mental health professionals in not going for closure but rather building strength and acceptance of ambiguity What readers will find is a concrete therapeutic approach that is at once directive and open to the complex contexts in which people find meaning and discover hope in the face of ambiguous losses      **The Myth of Closure: Ambiguous Loss in a**

**Time of Pandemic and Change** Pauline Boss,2021-12-14 How do we begin to cope with loss that cannot be resolved The COVID 19 pandemic has left many of us haunted by feelings of anxiety despair and even anger In this book pioneering therapist Pauline Boss identifies these vague feelings of distress as caused by ambiguous loss losses that remain unclear and hard to pin down and thus have no closure Collectively the world is grieving as the pandemic continues to change our everyday lives With a loss of trust in the world as a safe place a loss of certainty about health care education employment lingering anxieties plague many of us even as parts of the world are opening back up again Yet after so much loss our search

must be for a sense of meaning and not something as elusive and impossible as closure This book provides many strategies for coping encouraging us to increase our tolerance of ambiguity and acknowledging our resilience as we express a normal grief and still look to the future with hope and possibility

**The ABCS of Coping with Anxiety** James Cowart  
 PhD, 2017-07-18 In *The ABCS of Coping with Anxiety Using CBT to Manage Stress and Anxiety* James Cowart offers a concise collection of tried and tested strategies from cognitive behavioral therapy CBT and makes them accessible to people who are learning to cope with their anxiety on a day to day basis Anxiety is a normal part of our human nature For spurring you to make decisions or perform it can actually be helpful However an unchecked pattern of intrusive negative thoughts can escalate the severity and persistence of the level of anxiety experienced over time As this worsens it is not uncommon to feel an increasing lack of control ultimately leading to a chain of self defeating behaviors that may negatively affect all aspects of your daily life Yet while it is not possible to directly control our emotions or what others think or do it is possible to learn and apply coping skills that can help you face feared situations rather than escape or avoid them James Cowart's aim in *The ABCS of Coping with Anxiety* is to share a toolbox of CBT techniques garnered over 40 years clinical practice that will enable you to manage your anxiety on a sustainable path toward taking back some of that control These self help strategies focus on developing key coping skills designed to reduce fear and anxiety and are complemented by a user friendly step by step program of practical exercises that can be personalized to meet each individual's unique needs Informed by his extensive experience and therapeutic knowledge and with real life case studies to guide you along your own journey James's easy to remember ABCS approach is as transformative as it is simple A is for accepting the thoughts and feelings you can and can't control B is for breathing slowly and naturally to relieve and relax muscle tension C is for countering any unrealistic or catastrophic thoughts with truth and logic and S is for staying with it so you can face your fears and anxieties until they are reduced Each step is explored in detail in the first four chapters and further discussion is also dedicated to using the ABCS with different types of anxiety including social anxiety specific phobias panic attacks and obsessive compulsive disorder OCD and coping with related depression anger and impulsivity Punctuated with research informed insight and instruction throughout *The ABCS of Coping with Anxiety* offers hope relief and reassurance in helping you master your anxiety and work toward greater independence Suitable for those living with anxiety and for the health professionals including psychiatrists psychologists social workers and counsellors working with them
