How the Bible Became the Bible Donald L. O'Dell, 2020-02-19 This book is for those who want to be true to the spirit of the Christ and want to use the Bible as a guide to their spiritual growth rather than as a literal instruction manual for evaluating and judging external behavior especially the behavior of others. Spiritual growth pays little attention to controlling external behavior. Spirituality is always an inside job and is always gentle kind understanding and accepting of others and of self. The fruit of this book is the presentation of biblical facts which are sewn together in the recognition that the Kingdom of God is available right now for you. Having experiences where others see God in you. Gifting your life with experiences of seeing God in all others and Experiencing Spirit's daily guidance as you live your life. Clear spiritual thinking requires an understanding of what the Bible is and isn't
