Serials And Reference Services

Robin Kinder, William A. Katz

Serials And Reference Services:

Serials and Reference Services Robin Kinder, William A. Katz, 1990 Here is one of the first books to address the problems of serials as they relate to the user the reference librarian and the library itself Opening a crucial dialogue serials librarians and reference librarians explore ways in which they can work together to make serials more accessible to the user With this vital new book public services librarians will gain a better understanding of the unique nature of serials especially concerning their acquisition and cataloguing and technical services librarians will gain a clearer view of the problems involved in interpreting the record for the user Serials and Reference Services provides a wealth of information that will help the cataloguer who must create a record out of a dizzying change of titles volumes and frequency the reference librarian who must interpret the record for the user the bibliographer who must select titles the manager who will be viewing the new formats for serials and the administrator who needs an overview in order to pull disparate services together into a functioning whole Automation is also explored and finally a look at the core collection newspapers comic books and poetry magazines gives an eclectic ending to the volume Tillie Krieger Peter Hernon David C Heisser David C Taylor and Laura Peritore are among the well known contributors to the book *Reference Services and Technical Services* Gordon Stevenson, Sally Stevenson, 2019-12-05 This book first published in 1984 analyses the provision of more effective library service by relying more heavily on collaboration between reference and technical services librarians *New Technologies and Reference Services* William A. Katz, 2000 This comprehensive volume recounts the ways reference librarians have adapted traditional services to deal with the changes in both information technologies and library patrons New Technologies and Reference Services shows how to provide needed services using videoconferencing interactive classrooms drop in seminars and required courses It also discusses the other implications of new technologies including developing trends in publishing copyright issues collection strategies and decentralizing library reference services New Technologies and Reference Services Linda S Katz, 2019-07-15 Offer your patrons the cutting edge reference services they demand In the past a reference librarian needed to develop a command of a few reference works master the skills of the reference interview and interface with library users in person or via telephone Today s reference librarian is faced with much much more New Technologies and Reference Services suggests ways you can tame the information explosion and take advantage of new technologies This comprehensive volume recounts the ways reference librarians have adapted traditional services to deal with the changes in both information technologies and library patrons New Technologies and Reference Services offers tested techniques for fostering information literacy in patrons daunted by the high tech edge of the new library Even computer savvy younger students may need help learning specialized searching skills This practical volume suggests several innovative ways to teach those skills using interactive classrooms drop in seminars and required courses New Technologies and Reference Services discusses the other implications of new technologies including developing trends in publishing

including value added services and the death of the printed encyclopedia the effects of CD ROM electronic publishing and the Internet on copyright issues videoconferencing at the reference desk collection strategies and budgets in an era of multiple formats decentralizing library reference services information apartheid the growing gap between the information haves and have nots This helpful volume gives practical tested advice and ideas on the broader issues of information technology With plentiful Web addresses New Technologies and Reference Services presents new ideas sure to make your job easier

Reference Service Krishan Kumar, 2009-11-01 The Fifth edition has been thoroughly revised and updated keeping in view the new developments and appearance of new significant reference sources Some new readings have also been added to bring further readings This work not only describes the various aspects of reference service such as functions methods principles theories practices problems but also provides an overview of available significant reference books dictionaries encyclopedias yearbooks bibliographies union catalogues almanacs directories etc

Expert Systems in Reference Services Christine Roysdon, Howard D. White, 1989 Enhance your understanding of developments in expert systems related to reference work This important new book introduces readers to expert systems applications in many areas of library and information science and presents design and implementation issues encountered by librarians who have developed early systems to address the library reference function Systems for ready reference online database access and enhancement of subject searching in online catalogs are all explored Theoretical issues related to expert systems are balanced with descriptions of actual systems currently operating or under development Reference librarians interested in computing and automation library managers and administrators as well as teachers and students in library schools will be fascinated by this account of how expert systems are helping to make the expertise of the reference librarian available in a more consistent and timely fashion and reduce the burden of repetitive predictable questions for the professional

Automation and Reorganization of Technical and Public Services B. J. Busch, Association of Research Libraries. Systems and Procedures Exchange Center, 1985

Document Delivery Services Robin Kinder, 2013-10-18 Design and maintain document delivery services that are ideal for academic patrons In Document Delivery Services Contrasting Views you ll visit four university library systems to discover the considerations and challenges each library faced in bringing document delivery to its clientele This book examines the questions about document delivery that are most pressing in the profession of library science Despite their own unique experiences you ll find common practices among all four including planning implementation of service and evaluation of either user satisfaction and or vendor performance This book reviews the planning and process of implementing document delivery in Miami University University of Colorado at Denver University of Montana at Missoula Purdue University Libraries Document Delivery Services Contrasting Views addresses the paradigm of access versus acquisition and shows you how document delivery can be more integral in the library right alongside full text databases Internet access and reference services This book focuses on the issues that develop specifically in academic

libraries such as the invisible user majority of undergraduate students when considering budget issues and collection development This book also explores the dynamic relationship between faculty and library administration that can impact events such as serials cancellations alternative access to materials and the reorganization of libraries to incorporate enhanced services to users You ll find useful information and proven methods concerning these topics re engineering library services restructuring a traditional Interlibrary Loan Department into an Information Delivery Interlibrary Loan Department ID ILL criteria for document delivery vendor selection delivering electronic tables of contents and search strategy outputs to faculty desktops document delivery in academic fee based information services With Document Delivery Services Contrasting Views document delivery becomes more than a simple acquisitions tool or a necessary service instead it is an enhanced access service that lends greater perspective to library staff and users alike This handy volume will help expand the role of document delivery services in your own library setting *Philosophies of Reference Service* Celia Hales-Mabry,1997 In *Philosophies of Reference Service* reference librarians share with you their reflective thinking about what they do as service providers An important addition to the personal and occupational library of anyone in reference services this book discusses the origins of reference service its founding principles the pleasures and pitfalls of the reference encounter delivering high quality service and much much more In a clever juxtaposition of the fundamentals of reference service provision with top notch thinking about the role of the reference librarian and what makes a reference unit effective *Philosophies of Reference Service* advocates for continuing familiarity with books in the reference section recognizing the diversity of service users and using collegiality in the work environment to boost productivity It discusses why reference service should move toward instructing people in mediums not systems as well as achieving consistency in reference service through shared values the concept of tiered reference services based on survey research the little discussed art of reference desk scheduling the importance of knowing your user and making appropriate accommodations partnerships in reference services techniques for conducting reference roving the advantages of print fostering widely grounded research through reference service why reference librarians share with the corporate world many of the same desired outcomes with regard to service provision Designed to assist readers in defining and developing their own approaches to reference service delivery *Philosophies of Reference Service* offers reference librarians insight practical knowledge and guidelines for keeping on top of new reference techniques establishing a partnership between the library and the user population and maximizing the helpful nature of reference service *Journals of the Century* Tony Stankus,2019-12-06 This book first published in 2002 gathers some of America s top subject expert librarians to determine the most influential journals in their respective fields 32 contributing authors reviewed journals from over twenty countries that have successfully shaped the evolution of their individual specialties worldwide Their choices reflect the history of each discipline or profession taking into account rivalries between universities professional societies for profit and not for profit publishers and even nation states and international ideologies

in each journal's quest for reputational dominance Each journal was judged using criteria such as longevity of publication foresight in carving out its niche ability to attract none are in the employ of any publisher but each is fully credentialed and well published and many are award winners The authors guide college and professional school librarians on limited budgets via an exposition of their analytical and critical winnowing process in determining the classic resources for their faculty students and working professional clientele

Information Brokers and Reference Services Robin Kinder, Bill

Katz, 2019-12-06 The contradictory yet complementary relationship between libraries and information brokers is examined in this volume first published in 1988 Since its escalation in the 1960s information brokering has challenged the role of the library in society Librarians discuss their concerns about information brokers the impact of brokers on reference services the competence of brokers abuse of library services by brokers and whether libraries should provide competing fee based services Brokers share their own view as entrepreneurs providing background offering advice and explaining the risks involved in their business This lively often controversial discussion offers suggestions for improving relations between libraries and information brokers while continuing to serve the public well
