Bond of Love Amy Suzanne, 2013-12-06 As a picturesque mother and wife forty one year old Avery Richards seems to have it all. Married to a successful veterinarian named Noah and mother to a spunky daughter named Kara her life is far from awful but she is stuck. With the recent move of their daughter who has just flown the coop for college this story examines the deep and often tumultuous bond between mother and child and the lengths we are willing to go to as mothers to sacrifice our own happiness for the ones we love. As we watch Avery walk through her new way of daily life without her ambitious and stubborn child around to mother any longer we are given a very unique opportunity to tip toe in the front row of their lives from three VERY separate views. We will see life as it plays out through Avery's mature and motherly eyes through Kara's young and sheltered heart and then through someone else's eyes that has a deeply vested interest in them both. As Avery's well hidden web of lies come crashing down in an unexpected way her secrets that she's safeguarded for years will threaten to rip her peaceful world apart as well as the world of the ones she loves most. As readers we will watch how ONE single choice can alter everything. Each character will then be forced to examine what the true meaning of love and forgiveness means to them. Every gamut of emotion will be explored humor sadness love joy betrayal hate and forgiveness. *Bond of Love* will leave you pondering the age old question How well do YOU actually know the ones you love most.
