Sermon Outlines for Busy Pastors: Volume 1 Rob Westbrook, 2012-06-25 Sermon Outlines for Today's Busy Pastor

Today pastors are busier than ever with more time spent in ministry activities and less time spent in sermon preparation. Sermon Outlines for Busy Pastors Volume 1 gives the busy pastor a head start on sermon preparation. With 52 complete sermon outlines, pastors can save hundreds of hours a year with the base research and layout for a year's worth of sermons already in place. Here are some advantages. Sermon Outlines for Busy Pastors Volume 1 provides These are complete sermon outlines. Each sermon outline is much more than a basic three point outline requiring a lot of time and research to flesh out. These outlines go much deeper with each main point completely developed with sub points and more. Each sermon outline is rooted in God's Word and expository with a wealth of detail great for spurring your own thoughts and allowing you to take the sermon in another direction as you feel led. Every sermon outline is solidly based in the Bible and conservative theology. Sermon illustrations include enough detail to suggest your own personal or applicable illustrations. A complete sermon series is included providing a map for the next several Sundays saving many hours of advance planning and preparation. All sermons are based completely in Scripture. Here is a complete list of the sermons and the Scripture passages they are based upon.
