H. Wright,2015-02-14 Many preachers steer clear of the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly and end up preaching nothing but legalistic rules or symbolic lessons for our spiritual life In this book Christopher J H Wright encourages preachers not to ignore the Old Testament It is the Word of God it lays the foundation for our faith and it was the Bible that was read and used by Jesus It is the first part of the great biblical story from creation to new creation And because it is the journey that leads to Christ it is in fact part of our story too Looking first at why we should preach from the Old Testament the author then moves on to showing the reader how to handle different kinds of literature in it He guides us through the History Law Prophets Psalms and Wisdom Literature of the Old Testament Interspersed with detailed checklists suggested exercises and specimen sermons this is a very practical handbook for anyone committed to authentic Biblical preaching **A Prophet with Honor** William Martin,2018-02-21 A Prophet with Honor is the biography Billy Graham himself invited and appreciated for its sympathetic but frank approach Carefully documented eminently fair and gracefully written it raises and answers key questions about Graham s character contributions and influence on the world religious scene In this engaging and comprehensive book William Martin gives readers a better understanding of the most successful evangelist in modern history and the movement he led for over fifty years A Prophet with Honor makes a vital contribution to the Billy Graham legacy and allows us to understand why his words actions and personality endeared him to popes and preachers kings and presidents and millions of Christians in virtually every nation and culture around the world Martin draws on extensive conversations with Graham himself nearly two hundred interviews previously untouched resources including documents from six presidential libraries and the Billy Graham Evangelistic Association archives personal observation of Graham s crusades and conferences in the United States and Europe decades of research on evangelical Christianity Martin pays particular attention to Graham s controversial relationships with Presidents Lyndon Johnson and Richard Nixon He also describes how Graham s lifelong determination to do something great for God led him to organize international conferences that spearheaded the worldwide spread of the liberating message of Jesus and prompted him to help strengthen religious freedom in the Soviet bloc and China Tracing Graham s life and ministry from his rural and religious roots in North Carolina to his place as the elder statesman of American evangelicalism examining both his triumphs and his tribulations Martin shows the multidimensional character of the man who has become one of the most admired persons in the world **Preaching** **Prophetic Care** Phillis Isabella Sheppard,Dawn Ottoni-Wilhelm,Ronald J. Allen,2018-06-25 Preachers often think of

prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community. Rather than contributing to the polarization so rampant in today's social world, the preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews, a scholar of preaching and practical theology at the Divinity School, Vanderbilt University, whose seminal work inspires the notions of prophetic care and building bridges to justice. With contributions from Donna Allen, L. Susan Bond, Teresa Fry, Brown Gennifer Brooks, Teresa Eisenlohr, Anna Carter Florence, Kenyatta Gilbert, R. Mark Giuliano, David Schnasa, Jacobsen, John McClure, Mary Elizabeth Moore, Mary Alice Mulligan, Debra Mumford, Peter Paris, Luke Powery, Shelly Rambo, Lee Ramsey, Robert London Smith, Amy Steele, Frank A.
