Sermons From The Parables:

The Waiting Father Helmut Thielicke, 2015-03-26 The Waiting Father is a collection of sermons by Helmut Thielicke the great German preacher and theologian which offer deep insights into the spiritual message of Jesus's fifteen major parables. They were originally preached in Michaelskirche Hamburg in the mid 1950s. Thielicke approaches the parables in novel ways. In treating the prodigal son for instance he concentrates more on the loving father than the rebellious son emphasising the centrality of forgiveness. Similarly when discussing the pharisee and the publican he shows that the publican is guilty of spiritual pride and arrogance drawing attention to the dangers for the faithful. Both among expositions of the parables and among books for preachers The Waiting Father stands in a class of its own. Great scholars are usually poor preachers and great scholars are rarely good preachers but Thielicke manages to combine distinguished scholarship with fine preaching.

What Are You Waiting For? Mark Trotter, 2010-09-01 Part of the Protestant Pulpit Exchange this book contains popular preaching material on 10 of Jesus' parables as found in the Gospel of Matthew. Trotter says that the single most important assumption for contemporary preaching on the parables is that parables are metaphors a means to see something we do not yet have the eyes to see. Parables ought to do for us what they did for those who first heard them. **Sermons on the**

the Parables and Miracles of Jesus Christ Edward William Grinfield, 1819 *Parables of Jesus* Richard Gribble, Richard

Gribble, CSC, PhD CSC, 1999-06 The parable is the most well known literary form presented in the gospels and since narrative or story sermons are such a prominent element in the contemporary pulpit pastors are preaching on the parable texts more frequently than ever. This book provides a thorough and complete examination of each of the parables in Cycle B of the Revised Common Lectionary. Each parable study includes discussion of the theme, spiritual food for the journey, application of the parable to contemporary life, openings for preaching, points of challenge and questions to ponder, exegesis and explanation of the parable, context of the parable. These studies will be a classic resource for preaching or useful for Bible study and inspiration. The author of seven books and over 100 articles, Richard Gribble CSC is the acting superior at Moreau Seminary at the University of Notre Dame. Father Gribble earned his Ph.D. from the Catholic University of America and has also earned degrees from the United States Naval Academy, the University of Southern California and the Jesuit School of Theology at Berkeley. *Preaching the Parables* John R. Brokhoff, 1987-06 The parables of Jesus are timeless stories and

with the current popularity of narrative preaching the parables are a familiar topic in the contemporary pulpit. But preaching

on the parables is not as easy as it looks at first glance Should we simply tell the parable in our own words and let it stand on its own feet or is its lesson most effectively communicated by constructing a sermon around the central theme Or should the preacher spiritualize the parable by probing for allegorical meaning Master homiletician John Brokhoff aids preachers in answering these key questions with rigorous and enlightening background information on parables from Mark and John appearing in Cycle B of the Revised Common Lectionary He offers not only exegesis and interpretation for each passage but also rich material for sermon development suggested outlining approaches and preaching illustrations Parables included are The Doorkeeper Mark 13 32 37 The Good Shepherd John 10 11 18 The True Vine John 15 1 8 A Strong Man Mark 3 20 25 The Miracle Seed Mark 4 26 34 Bread To Eat John 6 35 41 51 Eat The Bread John 6 51 58 A popular preacher teacher and writer John R Brokhoff served as Professor of Homiletics at Candler School of Theology Emory University from 1965 to 1979 Prior to that he pastored Lutheran congregations in Virginia Georgia North Carolina and Pennsylvania Brokhoff is the recipient of the George Washington medal from the Freedom Foundation of Valley Forge Pennsylvania and is the author of many CSS titles including This You Can Believe and Pray Like Jesus **Sketches of Sermons on the Parables and Miracles of Christ: the Essentials of Saving Religion, &c** Jabez Burns, 1847 The Parables Paul Simpson Duke, 2005 Another book on the parables Why Because Paul Duke hears possibilities for preaching the parables that the rest of us miss Duke makes preliminary observations sketches historical context pursues literary structure pauses over how details of the text would fall on the ears of ancient listeners and offers reflections for preaching This book would be an ideal basis for a sermon series BOOK JACKET **Outlines on the Parables of Jesus (Sermon Outline Series)** Croft M.
