of eating *The Art of Splitting Stone* Mary Elaine Gage, J. E. Gage, 2005 Stone In The Garden Gordon Hayward, 2001-06-05 A guide to using stones in the garden walls walkways and terraces features more than one hundred drawings and photographs that give instructions on how to complete a wide range of projects **Appalachia**, 1990 The Ride of Her Life Elizabeth Letts, 2022-06-07 NATIONAL BESTSELLER The 1 New York Times bestselling author of *The Perfect Horse* and *The Eighty Dollar Champion* presents a heartwarming and engaging folk hero biography Kirkus Reviews of a woman who fulfilled her lifelong wish to see the Pacific Ocean by riding her horse across America Letts vividly portrays an audacious woman whose optimism courage and good humor are to be marveled at and admired Booklist starred review In 1954 sixty three year old Maine farmer Annie Wilkins embarked on an impossible journey She had no money and no family she had just lost her farm and her doctor had given her only two years to live But Annie wanted to see the Pacific Ocean before she died She ignored her doctor s advice to move into the county charity home Instead she bought a cast off brown gelding named Tarzan donned men s dungarees and headed south in mid November hoping to beat the snow Annie had little idea what to expect beyond her rural crossroads she didn t even have a map But she did have her ex racehorse her faithful mutt and her own unfailing belief that Americans would treat a stranger with kindness Annie Tarzan and her dog Depeche Toi rode straight into a world transformed by the rapid construction of modern highways Between 1954 and 1956 the three travelers pushed through blizzards forded rivers climbed mountains and clung to the narrow shoulder as cars whipped by them at terrifying speeds Annie rode more than four thousand miles through America s big cities and small towns Along the way she met ordinary people and celebrities from Andrew Wyeth who sketched Tarzan to Art Linkletter and Groucho Marx She received many offers a permanent home at a riding stable in New Jersey a job at a gas station in rural Kentucky even a marriage proposal from a Wyoming rancher In a decade when car ownership nearly tripled when television s influence was expanding fast when homeowners began locking their doors Annie and her four footed companions inspired an outpouring of neighborliness in a rapidly changing world **The Puritan Ideology of Mobility** Scott McDermott, 2022-02 The Puritan Ideology of Mobility Corporatism the Politics of Place and the Founding of New England Towns before 1650 examines the ideology that English Puritans developed to justify migration their migration from England to New England migrations from one town to another within New England and often their repatriation to the mother country Puritan leaders believed firmly that nations colonies and towns were all bodies politic that is living and organic social bodies However if a social body became distempered because of scarce resources or political or religious discord it became necessary to create a new social body from the old in order to restore balance and harmony The new social body was articulated through the social ritual of land distribution according to Aristotelian distributive justice The book will trace this process at work in the founding of Ipswich and its satellite town in Massachusetts **Our Hidden Landscapes** Lucianne Lavin, Elaine Thomas, 2023-10-31 Challenging traditional and long standing understandings this volume provides an important new lens for interpreting stone

structures that had previously been attributed to settler colonialism. Instead, the contributors to this volume argue that these locations are sacred Indigenous sites. This volume introduces readers to eastern North America's Indigenous ceremonial stone landscapes (CSLs), sacred sites whose principal identifying characteristics are built stone structures that cluster within specific physical landscapes. *Our Hidden Landscapes* presents these often unrecognized sites as significant cultural landscapes in need of protection and preservation. In this book, Native American authors provide perspectives on the cultural meaning and significance of CSLs and their characteristics, while professional archaeologists and anthropologists provide a variety of approaches for better understanding, protecting, and preserving them. The chapters present overwhelming evidence in the form of oral tradition, historic documentation, ethnographies, and archaeological research that these important sites created and used by Indigenous peoples are deserving of protection. This work enables archaeologists, historians, conservationists, foresters, and members of the general public to recognize these important ritual sites.
