Sermons On Galatians:

Sermons by Jonathan Edwards on the Epistle to the Galatians Kenneth P. Minkema, Adriaan C. Neele, Allen M. Stanton, 2019-09-13 This volume contains previously unpublished sermons by Jonathan Edwards on St Paul's Epistle to the Galatians. Edwards preached these sermons during his Northampton pastorate and republished some of them between 1728 and 1751. The importance of the Epistle to the Galatians has been recognized throughout the Christian practice of preaching. As such, these sermons have significance for its place in the Protestant tradition since the Reformation but they also highlight Edwards's thought on the nature of faith and works, flesh and spirit, and Christ and the Holy Spirit. To assist the reader, preceding the sermons are two introductions that describe Edwards's preaching style and method and provide an historical context for the sermons themselves.

Sermons on Galatians Jean Calvin, 1997 Calvin stresses the great themes of Galatians: human sin and depravity, law and grace, the love that took Christ Jesus to the cross, forgiveness of sin, justification by faith alone, and the resultant life of holiness.

Likewise Christians these days around the world are dying in their bodies and spirits by being infected with the doctrine of repentance. Who would know that the doctrine of repentance is that much wrong? Do you know who made Christians fall into the abyss of spiritual confusion? They are Christian sinners themselves who offer prayers of repentance everyday to be cleansed of their personal sins while claiming to believe in Jesus Christ as their Savior. Therefore you have to receive the remission of sins by believing in the gospel Word of the water and the Spirit that God gave us originally. You must not lose the blessed chance to be born again. All of us have to escape from the dark tunnel of spiritual confusion by believing in the gospel Truth of the water and the
