Spurgeon, 2016-09-15 Excerpt from *Sermons in Candles* Two Lectures Upon the Illustrations Which May Be Found in Common Candles I suppose a lecture signifies a reading but enough of my brethren use manuscripts and I will not compete with them If I can not speak extemporaneously I will hold my tongue to read I am ashamed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Sermons in Candles: Being ... Lectures, Etc Charles Haddon Spurgeon,1890

Charles Spurgeon Charles Spurgeon,Revival Press,2017-03-27 This is how the lecture came about in the first place It has grown considerably since it was born as all lively children do In addressing my students in the College long ago I was urging upon them the duty and necessity of using plenty of illustrations in their preaching that they might be both interesting and instructive I reminded them that the Saviour had many likes in his discourses He said over and over again The kingdom of heaven is LIKE The kingdom of heaven is LIKE Without a parable spake he not unto them The common people heard him gladly because he was full of emblem and simile A sermon without illustrations is like a room without windows One student remarked that the difficulty was to get illustrations in any great abundance Yes I said if you do not wake up but go through the world asleep you cannot see illustrations but if your minds were thoroughly aroused and yet you could see nothing else in the world but a single tallow candle you might find enough illustrations in that luminary to last you for six months Now the young brethren in the College are too well behaved to say Oh or give a groan of unbelief should I perchance say a strong thing but they look and they draw their breath and they wait for an explanation I understand what they mean and do not make too heavy a draft upon their faith by long delays in explaining myself The men who were around me at that particular moment thought that I had made rather a sweeping assertion and their countenances showed it Well I said I will prove my words and my attempt to prove them produced the rudiments of this lecture

Drummond, This definitive biography includes never before told stories and facts about this renowned British preacher **The Complete Works of C. H. Spurgeon, Volume 80** Spurgeon, Charles,Delmarva Publication,2015-07-22 Volume 80 The Sword and the Trowel Volume 1 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are

sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity

More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon
