The Serpent's Child G.C. Hannah, 2017-10-12 Malady was a normal 17 year old girl until the day she found out that she was the granddaughter of the Devil Lucifer himself She is part of a prophecy that will determine the end of hell's war against the heavens Her role will decide which side will win in the end She doesn't know this yet but her power is the strongest and most dangerous one there is She leaves sickness and destruction in her path Although she is a confident sarcastic sharp tongued female nothing can prepare her for the truth that lies before her The Journal of Education Thomas Williams Bicknell, Albert Edward Winship, Anson Wood Belding, 1929

The Serpent's Plumes Adam W. Coon, 2024-05-01 Draws on Nahua concepts to explore Nahua literary production and contributions to cultural activism from the 1980s to the present The Serpent's Plumes analyzes contemporary Nahua cultural production principally bilingual Nahuatl Spanish xochitlajtoli or poetry written from the 1980s to the present Adam W Coon draws on Nahua perspectives as a decolonizing theoretical framework to argue that Nahua writers deploy unique worldviews namely *ixtlamatlistli* knowledge with the face which highlights the value of personal experiences *yoltlajlamikistli* knowledge with the heart which underscores the importance of affective intelligence and *tlaxpan* that which is in front which presents the past as lying ahead of a subject rather than behind The views of *ixtlamatlistli* *yoltlajlamikistli* and *tlaxpan* are key in Nahua struggles and effectively challenge those who attempt to marginalize Native knowledge production *Reading Bibles, Writing Bodies* Timothy K. Beal, David Gunn, 2002-06 The Bible is often said to be one of the foundation texts of Western culture The present volume shows that it goes far beyond being a religious text The essays explore how religious political and cultural identities including ethnicity and gender are embodied in biblical discourse Following the authors we read the Bible with new eyes as a critic of gender ideology politics and culture We ask ourselves new questions about God's body about women's role about racial prejudices and about the politics of the written word *Reading Bibles Writing Bodies* crosses boundaries It questions our most fundamental assumptions about the Bible It shows how biblical studies can benefit from the mainstream of Western intellectual discourse throwing up entirely new questions and offering surprising answers Accessible engaging and moving easily between theory and the reading of specific texts this volume is an exciting contribution to contemporary biblical and cultural studies *Women Writing Nature* Barbara J. Cook, 2008-01-01 *Women Writing Nature* addresses the question Do women write about nature differently In the process the collection considers women's writings about the natural world in light of recent and current feminist and ecofeminist theory Reading the Written Image Christopher Collins, 2011-04-30 *Reading the Written Image* is a study of the imagination as it is prompted by the verbal cues of literature Since every literary image is also a mental image a representation of an absent entity Collins contends that imagination is a *poiesis* a making up an act of play for both author and reader The willing suspension of disbelief which Coleridge said constitutes poetic faith therefore empowers and directs the reader to construct an imagined world in which particular hypotheses are proposed and

demonstrated Although the imagination as a central concept in poetics emerges into critical debate only in the eighteenth century it has been a crucial issue for over two millennia in religious philosophical and political discourse The two recognized alternative methodologies in the study of literature the poetic and the hermeneutic are opposed on the issue of the written image poets and readers feel free to imagine while hermeneuts feel obliged to specify the meanings of images and failing that to minimize the importance of imagery Recognizing this problem Collins proposes that reading written texts be regarded as a performance a unique kind of play that transposes what had once been an oral dramatic situation onto an inner imaginary stage He applies models drawn from the psychology of play to support his theory that reader response is essentially a poietic response to a rule governed set of ludic cues Ashes of the written World Rizwan Altaf Sathoo,2025-03-06 Stories shape the world Words are not just symbols they are the foundation of reality itself In Ashes of the Written World Rizwan Altaf Sathoo weaves an intricate tale where fate is inked onto the pages of existence and destiny is bound by the unbreakable weight of vows At the heart of this epic fantasy stands the Codex Eternal an ancient tree whose pages record every oath ever sworn But its roots are splintering its ink fading The world teeters on the brink of collapse as the disciples of the Final Forge seek to impose absolute order rewriting existence into a rigid tapestry of laws without choice or freedom Against this impending doom three souls emerge **Up Your Score, 2013-2014 Edition** Larry Berger,Michael Colton,Manek Mistry,JaJa Liao,Paul Rossi,2012-01-01 Covers preparation for the math and verbal sections of the SAT and gives insider tips and tricks on taking the test and boosting one's score **A Serpent's Tooth** Matty Dalrymple,2022-04-22 Brilliant satisfying suspenseful and gripping One of my favorite authors Lisa Regan USA Today and Wall Street Journal Bestselling Crime Fiction Author An intriguing novel with surprising twists and plenty of suspense to keep you turning the page Dalrymple surpasses herself with this one An absolute must read Michael Bradley award winning author of Dead Air When a body is found at Lynch and Son Winery no one suspects foul play But then a second death occurs and it seems that Ann Kinnear has stepped into the middle of a family feud turned fatal Can Ann root out the evil or will her plan to move into the winery's guest house bear deadly fruit Spirit sinner Ann Kinnear is juggling a long distance relationship and continuing her search for a place to call home She thinks she has found the solution to both when she learns that her favorite Chester County Pennsylvania winery has a guest house for rent When the body of the terminally ill head of the winery is found on the grounds Ann assumes that the torch will pass to the next generation but the terms of the will leave a sour taste in the mouth of some family members Does that explain the patriarch's daughter's clandestine trips to a grand but derelict home in Philadelphia tended by a mysterious man in Victorian garb Her husband secretly asks Ann's brother Mike to investigate Then a second body is found in a watery grave and it seems that both deaths may have been murder When the family hires Ann to contact the deceased will what she learns provide a satisfying finish or yield a fatal harvest Find out in Book 5 of the Ann Kinnear Suspense Novels Kiungani; or, Story and history from Central Africa, written by boys in the schools of the

Charlesworth,2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist s knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as

offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament s most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history
