Servant of the Dead Ashland Brown,1997-01-01 The Children of Shiva & the Exotic Tribes Banti R. R.

Chandra,2018-11-15 Absolute power corrupts absolutely and when hatred against one another is gradually assembled since childhood forwarded by that power a war is eminent even amongst brothers Jambudweep is divided in kingdoms with its own sets of kings yet ruled by an indulgent and insecure emperor The catalyst of the war and the fire of the rebellion is an ancient beast that reappears now in the kingdom of Praygjyotispura causing deaths in its wake As the tension of war increases a mysterious yet most celebrated Maharishi of the land takes advantage of the events to push forward his own propaganda To sum up all the fears two of the most deadly weapons have been stolen from the arsenal of the creator Oblivious to the events a young general of the most powerful army of Jambudweep along with his companions travels back to his tribe and to his home to find peace and guidance while struggling to choose between morality and duty It is 6100 BCE the time when the land and the air the above it are pure expecting the human mind to be an ensemble of complex interplay of gunas The journey begins

Commentaries on the Law of Master and Servant Charles Bagot Labatt,1913 **The Standing Dead** Ricardo Pinto,2003-03 At the heart of The Three Lands there is a paradise filled with beauty and wonders of all kinds A lush and vibrant place it stands in sharp contrast to the baseness and squalor of the world outside the walls of Osrakum But this beauty comes at a cost The Masters who rule the world are driven by sadistic dreams and mythic charms They use their vast powers to leech the resources of the world unto themselves to create an artificial haven where they play out twisted games of power amid a decadent splendor Within the inner circle of power lies a glittering court where the royal houses plot vile atrocities and madness and bestiality hold sway The Masters are nothing less than gods in this realm and their plans or whims can bring either perfect pleasure or death Young Carnelian has spent his entire life in exile with his father a nobleman who rejected the evil ways of his people and fled to the ends of the known world But forces conspired to change all that and Carnelian returned to his homeland He is a sheep among wolves and it has taken every ounce of his strength to resist the temptations of power that threaten to seduce his very soul What Carnelian could never have imagined was that he would fall in love with none other than Osidian one of the twin Gods ruler of his world or that forces far darker than he thought possible would use him as a weapon When the young lovers are kidnapped by the Empress Ykorian and forced from the safety of the empire it appears that their lives are forfeit But Carnelian and Osidian fall into the hands of barbarians from the southern plain they call the Undersky These raiders manage to elude the legions of the Masters and after enduring terrible hardships they succeed in bringing their prizes home to their tribe Carnelian comes to realize that the world is much more bizarre than he could ever imagine that love can sometimes blind you to things that may destroy you that the simple things the heart can teach you will prove to be the most true And that he holds in his hands the potential to save or doom all of his world The Standing Dead is the powerful sequel to Ricardo Pinto s first novel The Chosen and it continues this unique fantasy series
