Singapore Politics Under the People's Action Party Diane K. Mauzy, Robert Stephen Milne, 2002 A comprehensive overview of politics in Singapore since self governance The authors examine how this tiny island has developed into a global financial centre and an economic and social success under the leadership of the People s Action Party which has ruled continuously since 1959 The authors explore the nature of the Singaporean government as well as major issues such as ethnicity human rights and the development of civil society Insights On Singapore's Politics And Governance From Leading Thinkers: From The Institute Of Policy Studies' Singapore Perspectives ,2019-03-25 This book presents insights on Singapore s politics and governance from leading thinkers based on selected commentaries from Singapore Perspectives conference series co published by Institute of Policy Studies and World Scientific Contributed by the who s who of Singapore s government business and academia circles they provide diverse viewpoints over state society relations governing principles electoral politics foreign policy among other important issues Will consensus or contest secure Singapore s future Should pragmatism be retained as Singapore s governing philosophy What if the nation state is no longer the key organisational unit of the international community What if Singapore has to choose between China and the United States What if Singapore becomes a two or multi party system This volume explores a range of possible answers to these questions and more

US-Singapore Relations, 1965-1975 Daniel Wei Boon Chua, 2017-06-23 At the height of the Cold War in Southeast Asia the foreign relations between the United States and Singapore demonstrated the interplay between America s strategy of containment and Singapore s efforts at a non aligned foreign policy But there is a deeper story American involvement in the Vietnam War not only held back the spread of communism in Southeast Asia but also catalysed economic and strategic cooperation between the United States and Singapore The author argues that Singapore might not have achieved its success so rapidly without the support of the US As the war in Vietnam raged on Singapore became a critical refueling point also providing ship and aircraft repair for the US military Commercial and strategic support from the United States lifted Singapore out of the economic doom predicted for the city state after secession from Malaysia cessation of Indonesian trade during Konfrontasi and Britain s military withdrawal By considering the importance of the US s role in Singapore s nation building this book provides an important supplement to the well trodden narrative that attributes Singapore s success to good governance

Understanding Singapore Politics (Second Edition) Bilveer Singh, 2021-08-23 Understanding Singapore Politics Second Edition aims to present a structural functional understanding of politics in Singapore This textbook provides a foundational knowledge of Singapore s politics by discussing key topics including the country s history political and party systems role of parastatal organisations nation building political leadership electoral politics hot button national issues and the role of Lee Kuan Yew in Singapore politics Recommended for anyone who has an interest or a stake in the island republic this introductory text provides insights on what drives shapes and influences Singapore s politics and explains

the political behaviour of Singaporeans **Political Volatility in the United States** Baodong Liu, 2022-01-13 The unexpected shift from the election of Barack Obama and the post racial hope to the racial confrontations in the Trump era begs the question Why did such a big volatile swing happen in such a short period of time Uncertainty reigns in volatile political times This book aims to provide a systemic model for understanding how political volatility throughout the U S history has had its root in two competing racial and religious groupings Moreover the groupings grounded in white supremacy and egalitarianism have collided contested and facilitated the configuration and reconfiguration of the atomic political structure As demonstrated in this book the antagonism between the two competing identity groupings led to a history of political volatility in the United States Contrary to the endless political deadlocks suggested by the scholars of American political development this book explains how and why the two orders persist reach peaks of volatility and why one temporarily achieves prominence over the other Going beyond the simplistic view of racial and religious hierarchy this book provides an account rooted in structural tensions strategic imperatives opportunities and threats on collective actions

Governance and Democracy in the Asia-Pacific Stephen McCarthy, Mark R. Thompson, 2020-03-17 This book explores the theoretical and empirical relationship between democracy and governance in the Asia Pacific region Examining a variety of country cases and themes addressing the theoretical tension between governance and democracy it illuminates how this impacts political and civil societies across the region Analysing the character structure and current trajectories of polities in the Asia Pacific democratic or otherwise this book demonstrates that the role of civil society political society and governance has significantly differed in practice from what has been commonly assumed within the international community The book includes both theoretical investigations tracing the modern development of the concepts of governance development and democratization as well as regional and country specific observations of major issues presenting comprehensive country level studies of China Singapore Thailand Cambodia the Philippines Myanmar Fiji and the Solomon Islands Presenting fascinating insight into non democratic governance civil society and the rule of law in illiberal contexts Governance and Democracy in the Asia Pacific will prove to be of great use to students and scholars of Asian politics and society as well as international and comparative politics *Political Science Abstracts* , 2013-03-07 The 1996 Supplement of Political Science Abstracts contains 10 000 carefully prepared abstracts of materials from public affairs magazines major newspapers professional journals and books devoted to politics and political analysis The organization of the proceeding volumes has been retained intact as has the recently added list of subdisciplinary descriptors Users of earlier volumes will be on familiar ground while those new to Political Science Abstracts will find the instructions on page ix easy to master CONTENTS Volume 1 This Volume How to Use This Supplement ix Political Science Subdisciplinary Descriptors xi Index of Terms xiii Abstracts of Documents in This Supplement Volume 2 Bibliographic Index to the Abstracts ABILITY MINNESOTA 821 Volume 3 Bibliographic Index to the Abstracts MINORITY ZULU 1565 Author Index 2119 List of Periodicals Abstracted in This Supplement 2121 HOW TO USE
