and humanities and social sciences *Contemporary Sex Offender Risk Management, Volume II* Hazel Kemshall, Kieran McCartan, 2017-11-25 This book the second of two volumes edited by Kemshall and McCartan focuses on responses to sexual offending and how risk is used by policy makers stakeholders academics and practitioners to both construct and respond to unknown and known sex offenders within the contexts of criminal justice health and social policy The chapters provide an oversight of contemporary policies practices and debates within the area to help both professionals and researchers The collection focuses on emerging areas crime linkage predictive policing sexual offending across borders desistance and public health approaches as well as more traditional topics multi agency working risk assessment sex offender policies and treatment The authors examine how professionals can use multi agency approaches to prevent sexual violence and assessing the impact of desistance on framing sex offender management A bold and engaging volume this edited collection will be of great importance to scholars and practitioners working reframing traditional approaches to sex offender management in a contemporary fashion *AIDS in the World II* Global AIDS Policy Coalition, 1996 AIDS in the World Vol 1 published in 1992 was the first full analysis of mankind's global confrontation with this disease The AIDS scene however has been changing so rapidly that the need for a second volume was felt much earlier than expected In AIDS in the World II the authors extend the international comparisons from 38 countries to the entire world and show that the AIDS pandemic has become increasingly fragmented within the world population They present data that takes the discussion beyond the current understanding of the vulnerability of nations and communities to the worldwide spread of HIV engaging in a detailed exploration of the social strategies that have enabled individuals to avoid infection Mann and Tarantola chart a course into the future based on an incisive investigation of the global pandemic and response the crucial lessons learned from the first decade and their expert understanding of the scientific and social dimensions of the HIV challenge The authors explain how the variety of reactions to the pandemic has contributed to a more advanced awareness of our vulnerability to HIV AIDS and offer a blueprint for an expanded global prevention effort Intended to serve the information needs of all professionals involved in AIDS research and care this volume's accessibility and clarity of writing make it highly suitable for the general reader as well **Historical Dictionary of World War II** Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952 Although Japan

renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas Historical Dictionary of World War II The War Against Japan Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II *School Leadership and Educational Change in Singapore* Benjamin Wong, Salleh Hairon, Pak Tee Ng, 2019-03-29 This book provides readers with insights into how Singapore school leaders are actively engaged in the transformation of the Singapore education system It brings to attention crucial elucidations of the increasing demand and complexity placed on school leaders through the use of case studies Each chapter in the book focuses on a particular issue which has become important or has gained renewed importance in the Singapore education system The chapters first provide a background to the theme under examination and a theoretical basis for discussion They then narrate the case that shows how school leaders interpret and implement policy initiatives in their respective schools or lead change in that area The case studies span over a wide range of domains such as instructional leadership assessment leadership stakeholder engagement professional learning communities and school branding The data collected from these case studies came primarily from interviews of educators in their respective school contexts in addition to other sources of data such as artifacts Each case study highlights descriptions interpretations and perspectives across school contexts which is consistent with the proposition that school leadership is very much shaped by context At the end of each chapter there are guiding questions to help readers critically analyse and reflect on the main learning points of the case

Modern Chinese Religion II: 1850 - 2015 (2 vols.), 2015-10-20 The last of four two volume sets on the key periods of paradigm shift in Chinese religious and cultural history this book examines the transformation of values in China since 1850 in the secular realms of economics science medicine aesthetics media and gender and in each of the major religions Confucianism Buddhism Daoism Christianity as well as in Marxist discourse The nation and science are the values invoked most frequently with the market and democracy a distant second As in previous periods of fundamental change in Chinese history rationalization and secularization have played central roles but interiorization nearly disappears as a driving force Also in continuity with the past the state insists on an exclusive right to define and adjudicate orthodoxy Contributors include Daniel H Bays S bastien Billioud Adam Yuet Chau Na Chen Philip Clart Walter B Davis Arif Dirlik Thomas David DuBois Lizhu Fan David Faure Melissa Wei Tsing Inouye Ji Zhe Xiaofei Kang Eric I Karchmer Andr Lalibert Angela Ki Che Leung Xun Liu Richard Madsen David Ownby Ellen Oxfeld Volker Scheid Grace Yen Shen Michael Szonyi Wang Chien ch uan Xue Yu

Resilience, Conflict-Related Sexual Violence and

Transitional Justice Janine Natalya Clark, 2022-10-18 This interdisciplinary book constitutes the first major and comparative study of resilience focused on victims survivors of conflict related sexual violence CRSV Locating resilience in the relationships and interactions between individuals and their social ecologies including family community non governmental organisations and the natural environment the book develops its own conceptual framework based on the idea of connectivity It applies the framework to its analysis of rich empirical data from Bosnia Herzegovina Colombia and Uganda and it tells a set of stories about resilience through the contextual dynamic and storied connectivities between individuals and their social ecologies Ultimately it utilises the three elements of the framework namely broken and ruptured connectivities supportive and sustaining connectivities and new connectivities to argue the case for developing the field of transitional justice in new social ecological directions and to explore what this might conceptually and practically entail The book will particularly appeal to anyone with an interest in or curiosity about resilience and to scholars researchers and policy makers working on CRSV and or transitional justice The fact that resilience has received surprisingly little attention within existing literature on either CRSV or transitional justice accentuates the significance of this research and the originality of its conceptual and empirical contributions The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
