Unsettled Scores Sally Bick,2019-12-20 The Hollywood careers of Aaron Copland and Hanns Eisler brought the composers and their high art sensibility into direct conflict with the premier producer of America s potent mass culture Drawn by Hollywood s potential to reach and edify the public Copland and Eisler expertly wove sophisticated musical ideas into Hollywood and each in their own distinctive way left an indelible mark on movie history Sally Bick s dual study of Copland and Eisler pairs interpretations of their writings on film composing with a close examination of their first Hollywood projects Copland s music for *Of Mice and Men* and Eisler s score for *Hangmen* Also Die Bick illuminates the different ways the composers treated a film score as means of expressing their political ideas on society

capitalism and the human condition She also delves into Copland's and Eisler's often conflicted attempts to adapt their music to fit Hollywood's commercial demands an enterprise that took place even as they wrote hostile critiques of the film industry

Transforming Women's Education Jewel A. Smith, 2019-01-30 Female seminaries in nineteenth century America offered middle class women the rare privilege of training in music and the liberal arts A music background in particular provided the foundation for a teaching career one of the few paths open to women Jewel A Smith opens the doors of four female seminaries revealing a milieu where rigorous training focused on music as an artistic pursuit rather than a social skill Drawing on previously untapped archives Smith charts women's musical experiences and training as well as the curricula and instruction available to them the repertoire they mastered and the philosophies undergirding their education She also examines the complex tensions between the ideals of a young democracy and a deeply gendered system of education and professional advancement An in depth study of female seminaries as major institutions of learning *Transforming Women's Education* illuminates how musical training added to women's lives and how their artistic acumen contributed to American society

Sounds of the New Deal Peter Gough, 2015-02-28 At its peak the Federal Music Project FMP employed nearly 16 000 people who reached millions of Americans through performances composing teaching and folksong collection and transcription In *Sounds of the New Deal* Peter Gough explores how the FMP's activities in the West shaped a new national appreciation for the diversity of American musical expression From the onset administrators and artists debated whether to represent highbrow popular or folk music in FMP activities Though the administration privileged using good music to educate the public in the West local preferences regularly trumped national priorities and allowed diverse vernacular musics to be heard African American and Hispanic music found unprecedented popularity while the cultural mosaic illuminated by American folksong exemplified the spirit of the Popular Front movement These new musical expressions combined the radical sensibilities of an invigorated Left with nationalistic impulses At the same time they blended traditional patriotic themes with an awareness of the country's varied ethnic musical heritage and vast but endangered store of grassroots music

Waiting for Buddy Guy Alan Harper, 2016-02-15 In the late 1970s and early 1980s British blues fan Alan Harper became a transatlantic pilgrim to Chicago I've come here to listen to the blues he told an American customs agent at the airport and listen he did to the music in its many styles and to the men and women who lived it in the city's changing blues scene Harper's eloquent memoir conjures the smoky redoubts of men like harmonica virtuoso Big Walter Horton and pianist Sunnyland Slim Venturing from stageside to kitchen tables to the shotgun seat of a 1973 Eldorado Harper listens to performers and others recollect memories of triumphs earned and chances forever lost of deep wells of pain and soaring flights of inspiration Harper also chronicles a time of change as an up tempo whites friendly blues eclipsed what had come before and old Southern born black players held court one last time before an all conquering generation of young guitar aces took center stage

Bound for America Nicholas Temperley, 2010-10-01 Nicholas Temperley documents the lives careers

and music of three British composers who emigrated from England in mid career and became leaders in the musical life of the early United States William Selby of London and Boston 1738 98 Rayner Taylor of London and Philadelphia 1745 1825 and George K Jackson of London New York and Boston 1757 1822 were among the first trained professional composers to make their home in America and to pioneer the building of an art music tradition in the New World akin to the esteemed European classical music Why in middle age would they emigrate and start over in uncertain and unfavorable conditions How did the new environment affect them personally and musically Temperley compares their lives careers and compositional styles in the two countries and reflects on American musical nationalism and the changing emphasis in American musical historiography

The Propaganda of Freedom Joseph Horowitz, 2023-09-26 The perils of equating notions of freedom with artistic vitality Eloquently extolled by President John F Kennedy the idea that only artists in free societies can produce great art became a bedrock assumption of the Cold War That this conviction defied centuries of historical evidence to say nothing of achievements within the Soviet Union failed to impact impregnable cultural Cold War doctrine Joseph Horowitz writes That so many fine minds could have cheapened freedom by over praising it turning it into a reductionist propaganda mantra is one measure of the intellectual cost of the Cold War He shows how the efforts of the CIA funded Congress for Cultural Freedom were distorted by an anti totalitarian psychology of exile traceable to its secretary general the displaced Russian aristocrat composer Nicolas Nabokov and to Nabokov's hero Igor Stravinsky In counterpoint Horowitz investigates personal social and political factors that actually shape the creative act He here focuses on Stravinsky who in Los Angeles experienced a freedom not to matter and Dmitri Shostakovich who was both victim and beneficiary of Soviet cultural policies He also takes a fresh look at cultural exchange and explores paradoxical similarities and differences framing the popularization of classical music in the Soviet Union and the United States In closing he assesses the Kennedy administration's arts advocacy initiatives and their pertinence to today's fraught American national identity Challenging long entrenched myths *The Propaganda of Freedom* newly explores the tangled relationship between the ideology of freedom and ideals of cultural achievement

The Bluegrass Reader Thomas Goldsmith, 2004 A chronological guide to bluegrass music that describes and traces the development of the musical genre

Charles Ives's Concord Kyle Gann, 2017-05-16 In 1921 insurance executive Charles Ives sent out copies of a piano sonata to two hundred strangers Laden with dissonant chords complex rhythm and a seemingly chaotic structure the so called Concord Sonata confounded the recipients as did the accompanying book *Essays before a Sonata* Kyle Gann merges exhaustive research with his own experience as a composer to reveal the Concord Sonata and the essays in full Diffracting the twinned works into their essential aspects Gann lays out the historical context that produced Ives's masterpiece and illuminates the arguments Ives himself explored in the *Essays* Gann also provides a movement by movement analysis of the work's harmonic structure and compositional technique connects the sonata to Ives works that share parts of its material and compares the 1921 version of the Concord with its 1947 revision to reveal

important aspects of Ives's creative process. A tour de force of critical theoretical and historical thought, Charles Ives's Concord provides nothing less than the first comprehensive consideration of a work at the heart of twentieth-century American music.

Industrial Strength Bluegrass Fred Bartenstein, Curtis W. Ellison, 2021-01-25 In the twentieth century Appalachian migrants seeking economic opportunities relocated to southwestern Ohio, bringing their music with them. Between 1947 and 1989 they created an internationally renowned capital for the thriving bluegrass music genre centered on the industrial region of Cincinnati, Dayton, Hamilton, Middletown, and Springfield. Fred Bartenstein and Curtis W. Ellison edit a collection of eyewitness narratives and in-depth analyses that explore southwestern Ohio's bluegrass musicians, radio broadcasters, recording studios, record labels, and performance venues, along with the music's contributions to religious activities, community development, and public education. As the bluegrass scene grew, southwestern Ohio's distinctive sounds reached new fans and influenced those everywhere who continue to play, produce, and love roots music. Revelatory and multifaceted, *Industrial Strength Bluegrass* shares the inspiring story of a bluegrass hotbed and the people who created it. Contributors: Fred Bartenstein, Curtis W. Ellison, Jon Hartley Fox, Rick Good, Lily Isaacs, Ben Krakauer, Mac McDivitt, Nathan McGee, Daniel Mullins, Joe Mullins, Larry Nager, Phillip J. Obermiller, Bobby Osborne, and Neil V. Rosenberg.

Fritz Reiner, Maestro and Martinet Kenneth Morgan, 2010-10-01 This award-winning book, now available in paperback, is the first solid appraisal of the legendary career of the eminent Hungarian-born conductor Fritz Reiner (1888-1963). Personally enigmatic and often described as difficult to work with, he was nevertheless renowned for the dynamic galvanization of the orchestras he led, a nearly unrivaled technical ability, and high professional standards. Reiner's influence in the United States began in the early 1920s and lasted until his death. Reiner was also deeply committed to serious music in American life, especially through the promotion of new scores. In *Fritz Reiner: Maestro and Martinet*, Kenneth Morgan paints a very real portrait of a man who was both his own worst enemy and one of the true titans of his profession.
