Long Time To Hate:

Rhodesville Ronnie L Richards, 2024-01-15 Lee Burrows thought he had the trauma of his childhood behind him After high school Lee moved to Boston from his tiny hometown of Rhodesville located in the far northwest corner of Alabama Over the years he buried those terrible childhood memories When the invite came his wife urged him to attend his thirtieth high school reunion Fearing he may have to face his past Lee reluctantly agreed to attend the reunion As soon as Lee stepped out of his car in Rhodesville the memories roared back The secret he held inside exposed itself A secret he had told no one about not even his wife The secret that explained how one of his closest childhood friends had died They were only eleven years old and camping alone when the unthinkable happened What young Lee told everyone about his friend s death was not the truth Lee came face to face with the truth soon after his arrival for the class reunion

Becoming Rwandan S. Garnett Russell, 2019-10-11 In the aftermath of the genocide the Rwandan government has attempted to use the education system in order to sustain peace and shape a new generation of Rwandans Their hope is to create a generation focused on a unified and patriotic future rather than the ethnically divisive past Yet the government s efforts to manipulate global models around citizenship human rights and reconciliation to serve its national goals have had mixed results with new tensions emerging across social groups Becoming Rwandan argues that although the Rwandan government utilizes global discourses in national
