Long To Reign Over Us Memories Of Coronation Day And Life In The 1950s

Kenneth McLeish, Valerie McLeish

Long To Reign Over Us Memories Of Coronation Day And Life In The 1950s:

America in the British Imagination J. Lyons, 2013-12-18 How was American culture disseminated into Britain Why did many British citizens embrace American customs And what picture did they form of American society and politics This engaging and wide ranging history explores these and other questions about the U S s cultural and political influence on British society in the post World War II period

Long to Reign Over Us Kenneth McLeish, Valerie McLeish, 1993

Historical Dictionary of the British Monarchy Kenneth J. Panton, 2011-02-24 The monarch is the United Kingdom s head of state exercising powers that are circumscribed by common law convention and statute law Nowadays many of the sovereign s functions are ceremonial but in the past the balance between ceremony and decision making was very different The foundations of the modern monarchy were laid more than a millennium ago in Anglo Saxon and Celtic Britain so its modern form is a stage in an evolution that has been shaped by attitudes towards divorce the changing role of women the democratization of society dynastic intermarriage financial demands religious convictions struggles for economic and political power and territorial aggrandizement Covering some of the most famous figures in world history including William the Conqueror Henry VIII and Queens Victoria Elizabeth I and Elizabeth II the Historical Dictionary of the British Monarchy provides a chronology starting with the year 495 and continuing to the present day an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on significant persons places events institutions and other aspects of British culture society economy and politics This book is a must for anyone interested in the British monarchy

What Television Remembers Jennifer VanderBurgh, 2023-10-15 Television in Canada has been undervalued as a cultural form Despite being publicly funded Canadian television programs are also notoriously difficult to access once they go off the air which has compounded the problem In *What Television Remembers* Jennifer VanderBurgh intervenes in the story of the medium in Canada by exploring the long relationship between TV and the city of Toronto From the first demonstration of television at the Canadian National Exhibition in 1939 and the mass viewing of Queen Elizabeth II s coronation broadcast in 1953 to the late century installation of TV screens in public spaces around the city television has shaped Toronto s collective imagination and affirmed viewers in their multiple identities as local residents national citizens and transnational consumers In a close reading of Toronto based CBC dramas from the 1960s to 2010 VanderBurgh explains how the city has functioned as a strategic location in CBC programming reflecting dramatically changing ideas about Canadian identity community and citizenship At a time when many are suggesting that the era of television is over *What Television Remembers* sounds the alarm that we are in danger of forgetting TV in Canada without appreciating the complexities of its contributions and legacy

Lilibet Carolly Erickson, 2007-04-01 In *Lilibet* master biographer Carolly Erickson turns her skill at writing un put downable narrative to telling the remarkable story of Elizabeth II Queen of England With her customary psychological insight historian Erickson traces the queen s gilded but often thorny path from her overprotected girlhood to her ascension to the

throne at twenty five to her personal and national difficulties as queen Lilibet shows us an Elizabeth we thought we knew but shows her in a different light as a small shy woman with a sly and at times raucous sense of humor a woman who appears stiff in public but in private enjoys watching wrestling on TV A woman most at home among her horses and dogs And a woman long annealed to heartbreak and sorrow who has presided over the decline of Great Britain and the decline in prestige of her own Windsor dynasty Far from being a light gossipy treatment of a celebrity Lilibet tells the queen s story from her point of view letting the reader relive Elizabeth s long and eventful life with all its splendid ceremonies momentous responsibilities and family clashes Through it all we glimpse as never before the strong and appealing sovereign who has ruled over her people for half a century and more a ruler of immense wealth international esteem and high character whose daily life is grounded in the bedrock of common sense

Orphans of the Living Joanna Penglase,2007-12-01 Drawing on interviews submissions to the Senate Inquiry and personal experience this revealing documentation describes for the first time the experience of Forgotten Australians from the perspective of the survivors In August 2004 Parliamentary senators wept as they presented the report from the Senate Inquiry into the treatment of children in care Half a million children grew up in care in 20th century Australia and most often these children lived with daily brutal physical and emotional abuse in the sterile environment of an institution Unraveling with tenderness compassion and intellect the seemingly explicable accounts as to how and why this occurred this study reveals the profound personal costs to the children involved and the huge social and economic ramifications of past policies

Music and Ceremonial at British Coronations Matthias Range,2012-08-23 Range presents an in depth study of the music within the ceremonial at British coronations from 1603 to the present

Tomboys and bachelor girls Rebecca Jennings,2017-10-03 Using a rich array of oral histories and archival sources Tomboys and Bachelor Girls provides the first detailed academic study of lesbian identity and culture in post war Britain Described by psychiatrists as immature and neurotic and widely ignored as taboo by mainstream society lesbians nevertheless recognised and accepted their same sex desire and sought out women like themselves Challenging the conventional picture of the post war decades as years of austerity and conservative femininity this book traces the emergence of a vibrant lesbian social scene in Britain centred on the metropolitan nightclubs of post war London but also developing across the country through lesbian magazines and social organisations This fascinating book brings to life the rich history of post war lesbian culture for the scholarly and general reader alike

The Fifties in America John C. Super,2005 Surveys the events and people of the United States and Canada from 1950 through 1959

A Century of Women Sheila Rowbotham,1997 Rowbotham charts the remarkable changes and interchanges in the lives of British and American women in the last hundred years encompassing the multitude of events that become daily news along with submerged personal experiences

People in the News David M. Brownstone,1994

The Queen Ben Pimlott,1997-09-11 A Biography of Elizabeth II She is the fifth longest reigning monarch in British history and one of the most famous people in the world Yet

despite a life lived at the center of the international stage Elizabeth II remains an enigma What kind of person is she What does she stand for How has she adapted to her role if at all How does she cope with problems that threaten the survival of the monarchy itself Now in the most authoritative and probing biography of Queen Elizabeth to date one of Britain's most distinguished biographers and political historians reveals the sometimes surprising answers In *The Queen* Ben Pimlott creates a richly detailed compelling portrayal of Elizabeth II the individual the institution and the icon Written with the cooperation of Buckingham Palace this distinguished biography is enriched by unprecedented access to government and palace archives as well as interviews with dozens of persons close to the queen including Princess Margaret the archbishop of Canterbury Lord Runcie Lord Charteris the queen's longtime private secretary and Hardy Amies the royal dressmaker and by access to the private diaries of Jock Colville who served as private secretary to both the queen and Winston Churchill The result is a penetrating examination that goes far beyond the typical royal biography With the same sharp historical focus he brought to his acclaimed portrait of Harold Wilson Pimlott reveals how Elizabeth's image has been manufactured and manipulated from her earliest childhood to suit the need of government He explores the social political and psychological influences that shaped the queen's personality and the ideas she represents Pimlott brings an illuminating perspective to the queen's relationship with her prime ministers and he offers an intriguing view of the phenomenon of the monarchy itself and of its future Beginning in 1926 the year of Elizabeth's birth and Britain's infamous General Strike and continuing all the way into the era of Di and Fergie this masterfully written account of the very public life of a very private woman is a fascinating at times provocative and vastly entertaining book It is candid respectful intelligent and certain to win admiration for both the author and his royal subject There will not be a better royal biography for many years *The Daily Telegraph* London Pimlott has succeeded triumphantly He has written a book that can be enjoyed and admired by people who would never have imagined reading any previous royal biography *The Independent* London An important and stimulating book Antonia Fraser author of *Mary Queen of Scots* in *The Guardian* London

Long to Reign Over Us Kenneth McLeish, Valerie McLeish, 1992 A collection of stories and souvenirs from all over Britain from those who were actually in Westminster Abbey on Coronation Day to those who crowded into the sitting rooms of the country's few television owners The book's main theme is that in a very real sense the post war period began with Coronation Day the pageantry and the ceremonial the parades and the bands occasioned a patriotic fervour that many would not forget *British Book News* British Council, 1992 Includes no 53a British wartime books for young people

Whitaker's Books in Print, 1998 **The British National Bibliography** Arthur James Wells, 1993 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *The New York Times Great Stories of the Century* New York Times, 1999 Departing from the annual Page One book of The New York Times front pages *Great Stories of the Century* completely covers the top world changing events of 1900 through 1999 presenting the full story which incorporates the newspaper's headline news other related articles and period advertisements that reflect the pulse of

American life through one hundred years of change From the end of the Victorian age through physical accomplishments life changing inventions two horrendous world wars the turmoil of communism the computer age and Clinton the century lives and breathes in the pages of The New York Times *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **The New York Times Book Review Index, 1896-1970: Subject index** ,1973
