Long Winded Lady Notes From The New Yorker:

The Long-Winded Lady Maeve Brennan, 2015-04-15 From 1954 to 1981 Maeve Brennan wrote for The New Yorker's Talk of the Town department under the pen name The Long Winded Lady Her unforgettable sketches prose snapshots of life in small restaurants cheap hotels and crowded streets of Times Square and the Village together form a timeless bittersweet tribute to what she called the most reckless most ambitious most confused most comical the saddest and coldest and most human of cities First published in 1969 The Long Winded Lady is a celebration of one of The New Yorker's finest writers

Irishness in North American Women's Writing Ellen McWilliams, 2021-01-25 This book examines ideas of Irishness in the writing of Mary McCarthy Maeve Brennan Alice McDermott Alice Munro Jane Urquhart and Emma Donoghue Individual chapters engage in detail with questions central to the social or literary history of Irish women in North America and pay special attention to the following discourses of Irish femininity in twentieth century American and Canadian literature mythologies of Irishness in an American and Canadian context transatlantic literary exchanges and the influence of canonical Irish writers and ideas of exile in the work of diasporic women writers Maeve Brennan Edward O'Rourke, 2024-10-30 This book explores the intricate interplay between physical spaces and psychological landscapes in the works of Irish American author Maeve Brennan Brennan's writing is now classed amongst the most important of twentieth century Irish women's fiction having undergone a significant reclamation and reappraisal in the 30 years since her death Single and childfree for most of her life Brennan eschewed the securities of family and home experiencing an otherness that she shared with her fellow New Yorkers many of them left she wrote hanging on to a city half capsized most of them still able to laugh as they cling to the island that is their life's predicament It is a suitably ambiguous expression for a writer who cultivated an interstitial existence whose stories inhere within a dream cycle of reiterative pasts and whose works augment and elevate the canon of radical Irish fiction **Catalog of Copyright Entries. ,2006 **Selected Letters of John Updike** John Updike,2025-10-21 The arc of literary giant John Updike s life emerges in these luminous daily letters to family friends editors and lovers a remarkable outpouring over six decades from his earliest consciousness as a writer to his final days As James Schiff writes in the introduction to this volume of the writer who would eventually express himself in written form as copiously and as elegantly as any American writer before him Updike needed to write the way the rest of us need to breathe or eat With his stunning rhetorical gifts enabling him to thrive in both short fiction and the novel criticism as well as poetry Updike was also a consummate letter writer When barely a teenager he began submitting poems and cartoons to national magazines and soliciting famous cartoonists with flattering requests for a drawing His letter writing only increased when he left the family farm in Pennsylvania for Harvard where he composed more than 150 witty substantive letters to his parents The summer after he graduated The New Yorker began accepting his work and his exchanges with editors publishers and writers would stretch into a correspondence that Schiff notes figures not as an adjunct to but rather an integral part of his astonishing literary output The intimacy and lucidity of these letters brings to the fore all manner of subjects and situations notably the ardent feelings for his first love and wife Mary and later the heartbreaking but honestly accounted breakup of their marriage the uncensored passion for other women including his Ipswich neighbor Martha who became his second wife the concern for his children s path to adulthood and the conversations with many literary peers from Joyce Carol Oates to Philip Roth as well as his Knopf and New Yorker editors critics translators and others in the lit business Filled with comic observations opinions and personal news told in the fluid first person voice of the writer himself these missives taken together create a page turning life in letters like no other **Still No Word From**
