The Little Red Book: Quotations from Chairman Mao Tse-tung Mao Tse-tung, 2024-03-17 Quotations from Chairman Mao Tse tung is a book of statements from speeches and writings by Mao Zedong Mao Tse tung the former Chairman of the Communist Party of China published from 1964 to about 1976 and widely distributed during the Cultural Revolution The most popular versions were printed in small sizes that could be easily carried and were bound in bright red covers becoming commonly known in the West as the Little Red Book Quotations from Chairman Mao Tse tung was originally compiled by an office of the PLA Daily People s Liberation Army Daily as an inspirational political and military document The initial publication covered 23 topics with 200 selected quotations by the Chairman of the Chinese Communist Party and was entitled 200 Quotations from Chairman Mao It was first given to delegates of a conference on 5 January 1964 who were asked to comment on it In response to the views of the deputies and compilers of the book the work was expanded to address 25 topics with 267 quotations and the title was changed simply to Quotations from Chairman Mao Tse Tung

The Battle For China's Past Mobo Gao, 2008-02-20 Shows that the Mao era was beneficial for most Chinese citizens A powerful mixture of political passion and original research a brave polemic against the fashionable view on China Aims a knockout blow at Jung Chang s recent book on Mao which Bush and the conservatives rave reviewed Gregor Benton Professor of Chinese History University of Cardiff This important book opens a much needed window onto Chinese perceptions of the country s post Mao direction Highlights the renewal of popular support for socialism and the growing opposition to contemporary state policies Martin Hart Landsberg Professor of Economics Lewis Clark College Portland Oregon Mao and his policies have long been demonised in the West with the Cultural Revolution considered a fundamental violation of human rights As China embraces capitalism the Mao era is being surgically denigrated by the Chinese political and intellectual elite This book tackles the extremely negative depiction of China under Mao in recent publications and argues most people in China including the rural poor and the urban working class actually benefited from Mao s policy of a comprehensive welfare system for the urban and basic health and education provision for the rural which is being reversed in the current rush towards capitalism By a critical analysis of the mainstream account of the Mao era and the Cultural Revolution and by revealing what is offered in the unofficial e media debates this book sets the record straight making a convincing argument for the positive effects of Mao s policies on the well being of the Chinese people

China Since 1919 Alan Lawrance, 2004 A sourcebook that tells the momentous history of China since 1919 mainly from the viewpoints of participants including extracts from telegrams speeches memoirs political statements and letters and poems

Space, Politics, and Cultural Representation in Modern China Enhua Zhang, 2016-12-08 Regarding revolution as a spatial practice this book explores modes of spatial construction in modern China through a panoramic overview of major Chinese revolutionary events and nuanced analysis of cultural representations Examining the relationship between revolution space

and culture in modern China the author takes five spatially significant revolutionary events as case studies the territorial dispute between Russia and the Qing dynasty in 1892 the Land Reform in the 1920s the Long March 1934-36 the mainland Taiwan split in 1949 and the Cultural Revolution 1966-76 and analyses how revolution constructs conceives and transforms space Using materials associated with these events including primarily literature as well as maps political treatises historiography plays film and art the book argues that in addition to redirecting the flow of Chinese history revolutionary movements operate in and on space in three main ways maintaining territorial sovereignty redefining social relations and governing an imaginary realm Arguing for reconsideration of revolution as a reorganization of space as much as time this book will appeal to students and scholars of Chinese culture society history and literature *Daily Report, Foreign Radio Broadcasts* United States. Central Intelligence Agency,1966 Encyclopedia of China Dorothy Perkins,2013-11-19 Presents a representative cross section of entries on all aspects of the history and culture of China Alphabetically organized the entries include major cities and provinces historical eras and figures government and politics economics religion language and the writing system food and customs sports and martial arts crafts and architecture important Chinese figures outside of mainland China important Westerners in China **Survey of China Mainland Press** United States.
