why should we care These questions are explored by Raymond Geuss in this compact but sweeping survey which integrates conceptual analysis historical reflection autobiography and social commentary Geuss explores our concept of work and its origins in industrial production the incentives and compulsions which societies use to get us to work and the powerful hold which the work ethic has over so many of us He also looks at dissatisfaction with work which is as old as work itself and at various radical proposals for doing away with it and at the seemingly irreversible growth of unemployment as a result of mechanisation His book will interest anyone who wishes to understand the place of work in our world This new series offers short and personal perspectives by expert thinkers on topics that we all encounter in our everyday lives **Crip Colony**

Sony Coráñez Bolton,2023-01-16 In *Crip Colony* Sony Cor ez Bolton examines the racial politics of disability mestizaje and sexuality in the Philippines Drawing on literature poetry colonial records political essays travel narratives and visual culture Cor ez Bolton traces how disability politics colluded with notions of Philippine mestizaje He demonstrates that Filipino mestizo writers in the late nineteenth and early twentieth centuries used mestizaje as a racial ideology of ability that marked Indigenous inhabitants of the Philippines as lacking in civilization and in need of uplift and rehabilitation Heteronormative able bodied and able minded mixed race Filipinos offered a model and path for assimilation into the US empire In this way mestizaje allowed for supposedly superior mixed race subjects to govern the archipelago in collusion with American imperialism By bringing disability studies together with studies of colonialism and queer of color critique Cor ez Bolton extends theorizations of mestizaje beyond the United States and Latin America while considering how Filipinx and Filipinx American thought fundamentally enhances understandings of the colonial body and the racial histories of disability

Research in Education ,1969 **Language Learning Environments** Phil Benson,2021-06-04 This book is the first in depth examination of the application of theories of space to issues of second language learning The author introduces the work of key thinkers on the theory of space and place and the relevance of their ideas to second language acquisition SLA He also outlines a new conceptual framework and set of terms for researching SLA that centre on the idea of language learning environments The book considers the spatial contexts in which language learning takes place and investigates how these spatial contexts are transformed into individualised language learning environments as learners engage with a range of human and nonhuman and physical and nonphysical resources in their daily lives Revisiting linguistics and language learning theory from a spatial perspective the book demonstrates that the question of where people learn languages is equally as important as that of how they do so This work is essential reading for any researcher wishing to research the role of the environment as an active player in SLA **The Routledge Handbook of Literary Translingualism** Steven G. Weaving Chiapas Barbara Schütz, 2018-02-08 In the highlands of Chiapas Mexico a large indigenous population lives in rural communities many of which retain traditional forms of governance In 1996 some 350 women of these communities formed a weavers cooperative which they called Jolom Mayaetik Their goal was to join together to market textiles of high quality in both new and ancient designs Weaving Chiapas offers a rare view of the daily lives memories and hopes of these rural Maya women as they strive to retain their ancient customs while adapting to a rapidly changing world Originally published in Spanish in 2007 this book captures firsthand the voices of these Maya artisans whose experiences including the challenges of living in a highly patriarchal culture often escape the attention of mainstream scholarship Based on interviews conducted with members of the Jolom Mayaetik cooperative the accounts gathered in this volume provide an intimate view of women's life in the Chiapas highlands known locally as Los Altos We learn about their experiences of childhood marriage and childbirth about subsistence farming and food traditions and about the particular styles of clothing and even hairstyles that vary from community to community Restricted by custom from engaging in public occupations Los Altos women are responsible for managing their households and caring for domestic animals But many of them long for broader opportunities and the Jolom Mayaetik cooperative represents a bold effort by its members to assume control over and build a wider market for their own work This English language edition features color photographs published here for the first time depicting many of the individual women and their stunning textiles A new preface chapter introductions and a scholarly afterword frame the women's narratives and place their accounts within cultural and historical context Resources in Education , 1989 The Chicago Schools Journal , 1961
