Jesus Through the Old Testament Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion

 Alistair Begg, 2021-10-05 God's code of conduct is as relevant and insistent today as it's always been The landscape of
 contemporary society reveals that we neither know nor care much about the Law of God There is A general lawlessness in
 the lives of professing Christians An absence of the fear of God in public worship and private living A growing confidence in
 ourselves and doubt concerning God and His Word Amidst this moral crisis the message of the Ten Commandments can give
 us order direction and hope With dynamic implications for how each of us lives every day Pathway to Freedom will challenge
 you to think long and hard about the significance of God's Law We have entered into a time of moral crisis in our culture and
 in the church as well Stories about divorce adultery and the individualized picking and choosing of doctrines around Pathway
 to Freedom is forthright and necessary teaching that today's church cannot afford to ignore How now shall we live The
 beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments CHARLES

 E. Shepherd, 2014-04-24 This study brings together the hermeneutical approaches of three Old Testament scholars
 specifically as they pertain to the interpretation of Isaiah 52:13-53:12 in the framework of Christian theology Contemporary
 discourse and hermeneutical discussions have led to the development of a point of confusion in theological hermeneutics
 focusing on what relationship older frames of reference may have with those more recent Bernhard Duhm is presented as a
 history of Religion scholar who does not easily abide by popular understandings of that school Brevard Childs moves outward
 from particular historical judgments regarding the nature of redaction and form criticism attempting to arrive at a
 proximately theological reading of the poem Alec Motyer's evangelical commitments represent a large constituency of
 contemporary theological readership and a popular understanding of Isaiah 53 Following a summary and critical engagement
 of each interpreter on his own terms the study analyzes the use of rhetoric behind the respective readings of Isaiah 53 and
 proposes theological reading as a highly eclectic undertaking distanced from the demarcations of pre-critical critical and post-
