**Searching the Soul of the College and University in America** Stephen J. Nelson, 2023-10-30 This is a story of religious and democratic covenants and controversies in the foundations of the American nation and in the soul of its colleges and universities Its powers are religion and politics in America the creeds and convictions constituting the beliefs and theologies of citizens and religious people Critically overlapping and entangled democratic beliefs and convictions distinctly define the American body politic and are in the foundation of the nation and its colleges and universities In that story an unmistakable feature and idea is that the religion of the Republic in America is intertwined with and parallel to a symbiotic religion of the academy in its colleges and universities The nation and its colleges share the same space history and religious and democratic heralds and heroes Democratic and political theories and philosophies and competing and cooperating religious faiths and impulses have been reflected both the Republic and in battles waged about the essential nature of the American nation and its colleges and universities These traits constitute how America its public and its citizens in and outside the gates of the academy have wrestled with the aspirations and ideals that define civic duty the commons and the common good

**The Habits of Race and Faith in a Religiously Diverse World** Mara Brecht, 2024-07-08 Religious diversity cultural pluralism and interreligious encounter are widely viewed in modern life as socially and for many people of faith spiritually enriching One of the most significant but frequently overlooked benefits of interreligious encounter is that it empowers us to see ourselves and particularly our racialized identities in new and revealing ways In The Habits of Race and Faith in a Religiously Diverse World Mara Brecht places whiteness under particular scrutiny its tangled and entwined relationship with religious identity as

well as strategic associations with dominance and privilege The analysis of whiteness gives way to fresh perspectives on Christian ideas about salvation both in connection to religious faith and racial embodiment
