A People's History of Poverty in America Stephen Pimpare, 2011-06-07 Tens of millions of Americans currently live in poverty more and more of them in extreme poverty But the words we use to describe them tend to obscure rather than illuminate the human lives and real life stories behind the statistics A sympathetic social history that allows poor people past and present to tell their own remarkably similar stories Booklist *A People's History of Poverty in America* movingly brings to life poor people's everyday battles for dignity and respect in the face of the judgment control and disdain that are all too often the price they must pay for charity and government aid Through prodigious research Stephen Pimpare has unearthed poignant and often surprising testimonies and accounts that range from the early days of the United States to the complex social and economic terrain of the present A work of sweeping analysis *A People's History of Poverty in America* reminds us that poverty is not in itself a moral failure though our failure to understand it may well be **America's Forgotten**

People's History of Baseball Mitchell Nathanson, 2012-03-30 Baseball is much more than the national pastime It has become an emblem of America itself From its initial popularity in the mid nineteenth century the game has reflected national values and beliefs and promoted what it means to be an American Stories abound that illustrate baseball's significance in eradicating racial barriers bringing neighborhoods together building civic pride and creating on the field of play an instructive civics lesson for immigrants on the national character In A People's History of Baseball Mitchell Nathanson probes the less well known but no less meaningful other side of baseball episodes not involving equality patriotism heroism and virtuous capitalism but power how it is obtained and how it perpetuates itself Through the growth and development of baseball Nathanson shows that if only we choose to look for it we can see the petty power struggles as well as the large and consequential ones that have likewise defined our nation By offering a fresh perspective on the firmly embedded tales of baseball as America a new and unexpected story emerges of both the game and what it represents Exploring the founding of the National League Nathanson focuses on the newer Americans who sought club ownership to promote their own social status in the increasingly closed caste of nineteenth century America His perspective on the rise and public rebuke of the Players Association shows that these baseball events reflect both the collective spirit of working and middle class America in the mid twentieth century as well as the countervailing forces that sought to beat back this emerging movement that threatened the status quo And his take on baseball's racial integration that began with Branch Rickey's Great Experiment reveals the debilitating effects of the harsh double standard that resulted requiring a black player to have unimpeachable character merely to take the field in a Major League game a standard no white player was required to meet Told with passion and occasional outrage A People's History of Baseball challenges the perspective of the well known deeply entrenched hyper patriotic stories of baseball and offers an incisive alternative history of America's much loved national pastime **A**

People's History of World War II Marc Favreau, 2011-09-20 The most destructive war in human history World War II continues to generate an astonishingly rich trove of historical material writings and first person recollections which are essential to any appreciation of this most pivotal of historical events A People's History of World War II brings the full range of human experience during World War II to life through some of the most vivid accounts and images available anywhere This concise and accessible volume includes first person interviews by Studs Terkel rare archival photographs from the Office of War Information collection propaganda comics from Theodore Geisel Dr Seuss narratives of wartime experiences from writers including historian Howard Zinn civil rights activist Robert L Carter and celebrated French author Marguerite

Duras and selections from the writings of some of the world's leading historians of the war including John Dower Philippe Burrin David Wyman and Eric Hobsbawm A People's History of the Peculiar Nick Belardes, 2014-04-08 Did you know that Thomas Jefferson's grandson was an axe murderer Do you delight knowing that some dinosaurs were as teeny tiny as hens Wonder what it's like to live in Hell Town at the End of the World How about an ailment so surreal it's named after Alice in Wonderland In A People's History of the Peculiar historian Nick Belardes has dug into the raw source material found in historical archives scientific studies and libraries the world over to find facts lists definitions and astonishing information guaranteed to provide readers with the best cocktail conversation topics for many years to come Also found here are first person interviews with people who can explain the unexplained from the permanently puzzling Mothman conspiracy to secret Star Wars Jedi religious cults and the charmingly eccentric reason why British aerospace engineers sent teddy bears floating out into space These real world facts are outlandish enough to sharpen the brain and occupy readers' minds for hours of entertainment **Voices of a People's History of the United States, 10th Anniversary Edition** Howard Zinn, Anthony Arnove, 2014-12-23 Selected testimonies to living history speeches letters poems songs offered by the people who make history happen but are often left out of history books women workers nonwhites Featuring introductions to the original texts by Howard Zinn New voices featured in this 10th Anniversary Edition include Chelsea Manning speaking after her 35 year prison sentence Naomi Klein speaking from the Occupy Wall Street encampment in Liberty Square a member of Dream Defenders a youth organization that confronts systemic racial inequality members of the Undocumented Youth movement who occupied marched and demonstrated in support of the DREAM Act a member of the Day Laborers movement Chicago Teachers Union strikers and several critics of the Obama administration including Glenn Greenwald on governmental secrecy Rethinking America's Past Robert Cohen, Sonia E. Murrow, 2021-11-01 No introductory work of American history has had more influence over the past forty years than Howard Zinn's A People's History of the United States which since its publication in 1980 has sold more than three million copies Zinn's iconoclastic critique of American militarism racism and capitalism has drawn bitter criticism from the Right most recently from President Donald Trump who at his White House Conference on American History in 2020 denounced Zinn as a Left propagandist and accused teachers aligned with Zinn of indoctrinating students to hate America and be ashamed of its history Rethinking America's Past is the first work to use archival and classroom evidence to assess the impact that Zinn's classic work has had on historical teaching and learning and on American culture This evidence refutes Trump's charges showing that rather than indoctrinating students Zinn's book has been used by teachers to have students debate and rethink conventional versions of American history Rethinking America's Past also explores the ways Zinn's work fostered deeper more critical renderings of the American past in movies and on stage and television and traces the origins and assesses the strengths and weaknesses of A People's History in light of more recent historical scholarship *An Indigenous Peoples' History of the United States* Roxanne Dunbar-Ortiz, 2023-10-03 New York
