Subversives Seth Rosenfeld, 2024-03-26 *Subversives* traces the FBI s secret involvement with three iconic figures at Berkeley during the 1960s the ambitious neophyte politician Ronald Reagan the fierce but fragile radical Mario Savio and the liberal university president Clark Kerr Through these converging narratives the award winning investigative reporter Seth Rosenfeld tells a dramatic and disturbing

story of FBI surveillance illegal break ins infiltration planted news stories poison pen letters and secret detention lists He reveals how the FBI s covert operations led by Reagan s friend J Edgar Hoover helped ignite an era of protest undermine the Democrats and benefit Reagan personally and politically At the same time he vividly evokes the life of Berkeley in the early sixties and shows how the university community a site of the forward looking idealism of the period became a battleground in an epic struggle between the government and free citizens The FBI spent more than 1 million trying to block the release of the secret files on which Subversives is based but Rosenfeld compelled the bureau to release more than 250 000 pages providing an extraordinary view of what the government was up to during a turning point in our nation s history Part history part biography and part police procedural Subversives reads like a true crime mystery as it provides a fresh look at the legacy of the sixties sheds new light on one of America s most popular presidents and tells a cautionary tale about the dangers of secrecy and unchecked power Sisters of the Extreme Cynthia Palmer, Michael Horowitz, 2000-05 Sisters of the Extreme provides us with the eloquent writings of women who experimented with drugs Sometimes their quests brought unexpected rewards sometimes suffering The selections in this anthology show that the psychedelic experiences of women have been anything but stereotypical *Positively 4th Street* David Hajdu, 2011-04-26 The story of how four young bohemians on the make Bob Dylan Joan Baez Mimi Baez and Richard Farina converged in Greenwich Village fell into love and invented a sound and a style that are one of the most lasting legacies of the 1960s When Bob Dylan age twenty five wrecked his motorcycle on the side of a road near Woodstock in 1966 and dropped out of the public eye he was recognized as a genius a youth idol and the authentic voice of the counterculture and Greenwich Village where he first made his mark as a protest singer with an acid wit and a barbwire throat was unquestionably the center of youth culture So embedded are Dylan and the Village in the legend of the Sixties one of the most powerful legends we have these days that it is easy to forget how it all came about In *Positively Fourth Street* David Hajdu whose 1995 biography of jazz composer Billy Strayhorn was the best and most popular music book in many seasons tells the story of the emergence of folk music from cult practice to popular and enduring art form as the story of a colorful foursome not only Dylan but his part time lover Joan Baez the first voice of the new generation her sister Mimi beautiful haunted and an artist in her own right and her husband Richard Farina a comic novelist *Been Down So Long It Looks Like Up To Me* who invented the worldliwise bohemian persona that Dylan adopted some say stole and made as his own The story begins in the plain Baez split level house in a Boston suburb moves to the Cambridge folk scene Cornell University where Farina ran with Thomas Pynchon and the University of Minnesota where Robert Zimmerman christened himself Bob Dylan and swapped his electric guitar for an acoustic and a harmonica rack before the four protagonists converge in New York Based on extensive new interviews and full of surprising revelations *Positively Fourth Street* is that rare book with a new story to tell about the 1960s It is in a sense a book about the Sixties before they were the Sixties about how the decade and all that it is now associated with it were created in a fit of collective

inspiration with an energy and creativity that David Hajdu captures on the page as if for the first time **Generation Reinvention** Brent Green, 2010-09-23 Guidance you need to understand and embrace the nation's most economically dominant generation B Joseph Pine II coauthor The Experience Economy and Authenticity The first book about Boomer men to integrate gender and generational insights into a framework marketers can use Marti Barletta author Marketing to Women and PrimeTime Women a masterful job of envisioning how Baby Boomer men are about to transform the cultural narratives about aging and maturity Ken Dychtwald Ph D author Age Wave and Age Power Born from 1946 to 1964 Baby Boomers represent 26 percent of the U S population But pervasiveness alone does not capture their story of continuing influence and reinvention Boomers have shaped every life stage they've experienced With the majority now over age 50 they are again changing business practices and institutions from dawn of medical tourism to later life entrepreneurialism They are still shaping popular culture from blockbuster films to stadium filling rock concerts This book gives you astute glimpses into what it means to be part of the generation Through this lens you'll discover how you can improve marketing communications product and service development nonprofit value and public policies A special section looks at marketing to Baby Boomer men including Historical technological social and cultural touchstones Underdeveloped ways to combine gender and generational nuances New segmentation research about the Boomer male cohort The next few chapters of western society will include Boomers as influential protagonists while Generation Reinvention continues to change the meaning of business marketing aging and consumerism Accurately forecasting the Boomer future has significant monetary implications for numerous industries Some choose to see problems with Boomer aging Readers of this book will come to see extraordinary opportunities Brent Green is an award winning strategist creative director copywriter author speaker and consultant focusing on generational marketing He is also author of Marketing to Leading Edge Baby Boomers He lives and reinvents himself in Denver Colorado The Book of Gin Richard Barnett, 2012-12-04 An absorbing popular history of one of history's most popular drinks Booklist Gin has been a drink of kings infused with crushed pearls and rose petals and a drink of the poor flavored with turpentine and sulfuric acid Born in alchemists stills and monastery kitchens its earliest incarnations were juniper flavored medicines used to prevent plague ease the pains of childbirth and even to treat a lack of courage In The Book of Gin Richard Barnett traces the life of this beguiling spirit once believed to cause a new kind of drunkenness In the eighteenth century gin crazed debauchery and class conflict inspired Hogarth's satirical masterpieces Beer Street and Gin Lane In the nineteenth century gin was drunk by Napoleonic War naval heroes at lavish gin palaces and by homesick colonials who mixed it with their bitter anti malarial tonics In the early twentieth century the illicit cocktail culture of Prohibition made gin often dangerous bathtub gin fashionable again And today with the growth of small batch distilling gin has once again made a comeback Wide ranging impeccably researched and packed with illuminating stories The Book of Gin is lively and fascinating an indispensable history of a complex and notorious drink The Book of Gin is full of history that will

Torff,2023-01-16 The story of American popular music is steeped in social history race gender and class its evolution driven by ephemeral connection to young audiences From Benny Goodman to Sinatra to Elvis Presley to the Beatles pop icons age out of the art form while new musical styles pass from relevance to nostalgia within a few years At the same time perennial forms like blues jazz and folk are continually rediscovered by new audiences This book traces the development of American music from its African roots to the juke joint club and concert hall revealing a culture perpetually reinventing itself to suit the next generation 1965 Andrew Grant Jackson,2015-02-03 For music lovers who were there and for those who wish they were the book is a well researched cultural history that leaves no rolling stone unturned Huffington Post Friendly rivalry between musicians turned 1965 into the year rock evolved into the premier art form of its time and accelerated the drive for personal freedom throughout the Western world The Beatles made their first artistic statement with Rubber Soul Bob Dylan released Like a Rolling Stone arguably the greatest song of all time and went electric at the Newport Folk Festival The Rolling Stones s Satisfaction catapulted the band to world wide success New genres such as funk psychedelia folk rock proto punk and baroque pop were born Soul music became a prime force of desegregation as Motown crossed over from the R B charts to the top of the Billboard Hot 100 Country music reached new heights with Nashville and the Bakersfield sound Musicians raced to innovate sonically and lyrically against the backdrop of seismic cultural shifts wrought by the Civil Rights Movement Vietnam psychedelics the Pill long hair for men and designer Mary Quant s introduction of the miniskirt In 1965 Andrew Grant Jackson combines fascinating and often surprising personal stories with a panoramic historical narrative Jackson has a better ear than a lot of music writers and one of the best parts of this book is his many casual citings of songs that echo others He show s us the familiar through fresh eyes as he returns us to a year when a lot of us were young and poor and not as happy as we thought we were yet there was always a great song on the radio Washington Post **Liberals with Attitude** Danny Goldberg,2025-10-07 The dramatic and captivating story of an unlikely coalition that formed in the wake of the Rodney King beating to challenge the destructive reign of Los Angeles police chief Daryl Gates LIBERALS WITH ATTITUDE DOCUMENTS THE SIXTEEN MONTHS IN 1991 92 between the brutal beating of Rodney King by four police officers that was captured on a home video camera and the resignation of LAPD chief Daryl Gates Gates was reviled by the local Black and civil liberties communities because of the pattern of racism and brutality in the department and he was uniquely powerful because of the structure of the Los Angeles City Charter and the secret files he kept on local politicians The effort to get Gates to step down after thirteen years as chief and to amend the City Charter to prevent another unaccountable chief from amassing that much power was led by Los Angeles mayor Tom Bradley a former LAPD officer and

the first Black mayor of the city To overcome Gates s entrenched power Bradley assembled a team that included future US secretary of state Warren Christopher the local ACLU Congresswoman Maxine Waters and activists who saw the struggle against Gates as an important chapter in the civil rights movement Much of the local media especially the Los Angeles Times was supportive of Bradley s agenda as was the burgeoning gangsta rap culture of LA much of which emerged in reaction to the LAPD Author Danny Goldberg was the chair of the ACLU Foundation of Southern California during those years and was personally acquainted with the leaders of the fight against Gates He interviewed several dozen people who are still alive and got access to thousands of pages of documents among the papers of Stanley Sheinbaum who was married to the heiress of the Warner Bros film fortune Sheinbaum was chosen by Mayor Bradley to be the president of the Los Angeles Police Commission with the specific mission of getting Gates out of office Goldberg s insider saga demonstrates that cooperation between the political left and center is required to overcome white grievance and unaccountable power Settling the Borderland Jan Whitt, 2008-09-05 Settling the Borderland deals with the intimate connection between journalism and literature both fields in which work by women has been underrepresented This book has a twin focus the work of journalists who became some of the greatest novelists poets and short story writers of the nineteenth and twentieth centuries in America several of whom are men and contemporary journalists who best exemplify the effective use of literary techniques in news coverage Although five women are emphasized here Katherine Anne Porter Eudora Welty Joan Didion Sara Davidson and Susan Orlean three men whose work was profoundly influenced by journalism also are included Edgar Allan Poe Walt Whitman and John Steinbeck are well known as writers of poetry short stories and novels but they too are among the other voices rarely included in studies of literary journalism In Settling the Borderland Jan Whitt presents a thorough analysis of the increasingly indistinct lines between truth and fiction and between fact and creative narrative in contemporary media
